rowan has always cherished an ambition to travel she didn't just leave the small scottish town where she grew up she fled from it as fast as she could now she's become expert at metropolitan living she could walk by a million faces and not notice any of them and her dream is almost within her grasp when rowan does start packing her bags she has to find room for one very unexpected item and she's headed not for exotic distant shores but back to scotland there she feels at first like nothing more than a source of good gossip but as she discovers that no one is quite who she thought they were rowan begins to see that home could be where she'll find what she was looking for after all

One Spring Night

1999

as rates of multiple births increase birth professionals are discovering a distinct lack of resources to support parents who wish to breastfeed written in an accessible format breastfeeding twins and triplets is a source of information for parents lactation consultants birthing professionals and healthcare workers wishing to support multiple birth families stagg's evidence based guide discusses the discovery of a multiple pregnancy how families can prepare for breastfeeding premature birth hand expressing and pumping as well as transitioning premature babies onto the breast and moving away from tube feeds stagg's own experience of breastfeeding her twins and career as a breastfeeding counsellor and lactation consultant with the ibclc international board certified lactation consultants ensures this guide is filled with practical knowledge to support multiple birth families in their journey
