Bastards and Boneheads 1999

j r r tolkien s novels of middle earth the hobbit the lord of the rings trilogy and the silmarillion have become some of the most famous and most beloved literary works of the twentieth century and the lord of the rings films by director peter jackson have re ignited interest in tolkien and his works as well as introduced his stories to a new generation of fans even if you ve never read the novels and have only seen the films you know that the world of middle earth is a complicated one tolkien took great care in representing this world from creating new languages to including very particular cultural details that add to the richness of the world s fabric many other books have been written about tolkien and his works but none have come close to providing the kind of reference needed to comprehend the world of middle earth that s what veteran dummies author and unabashed tolkien fan greg harvey attempts to do in the origins of tolkien s middle earth for dummies as the author says in his introduction to the book this is not an encyclopedia or quick guide to all the diverse beings languages and history that make up tolkien s middle earth nor is it a set of plot outlines for the novels rather what you ll find in the origins of tolkien s middle earth for dummies is a basic guide to some of the possible linguistic and mythological origins of middle earth plus a rudimentary analysis of its many themes and lessons for our world this book can help enrich your reading or re reading of tolkien s novels and it will challenge you to think about the themes inherent in tolkien s middle earth and their implications in your own life here s just a sampling of the topics you ll find covered in the origins of tolkien s middle earth for dummies exploring the main themes in tolkien s works including immortality and death the heroic quest love fate and free will and faith and redemption investigating the diverse lands of middle earth including the shire gondor and mordor and their significance examining the different cultures of middle earth such as hobbits elves men and those wily wizards touring the history of middle earth understanding tolkien s creation of new languages to enrich the story of middle earth

top ten lists on the battles in the war of the ring online resources and the ways the films differ from the novels so whether you re reading tolkien s novels or watching the films for the first time or you ve been a fan for many years and are looking for a new take on tolkien s works the origins of tolkien s middle earth for dummies can help you enhance your reading or viewing experience for years to come

The Origins of Tolkien's Middle-earth For Dummies 2011-04-27

created especially for the australian customer exciting and informative history of the land down under australian history for dummies is your tour guide through the important events of australia s past introducing you to the people and events that have shaped modern australia be there as british colonists explore australia s harsh terrain with varying degrees of success in this informative guide you ll find out about australia s infamous bushrangers learn how the discovery of gold caused a tidal wave of immigration from all over the world understand how australia took two steps forward to become a nation in its own right in 1901 and two steps back when the government was dismissed by the crown in 1975 discover the fascinating details that made australia the country it is today

Australian History for Dummies 2011-09-19

the author has spent the past three years criss crossing canada from cape spear on the coast of newfoundland to the sun dappled streets of olde victoria he weaves his own experiences into those of the larger canadian narrative what he discovers along the way is that canada is not so much a country as a collection of outposts not only geographically but culturally and linguistically some strong language winner of the 2005 stephen leacock memorial medal

Beauty Tips from Moose Jaw 2004
