### Remarriage is Adultery Unless...

consecutive polygamy as many husbands or wives as you like but only one at a time is now an accepted norm in contemporary society hardly surprising since the social legal moral and financial restraints holding marriages together for a lifetime have been steadily eroded in a relativist age where anything goes what is surprising is that divorce and remarriage are becoming as common inside the church as outside even among christian leaders and especially in the evangelical stream believers have been outspoken about such issues as abortion and homosexuality though their lord jesus said nothing about either he did say quite a lot about the subject of this book but there is either a reluctance to take his teaching at face value or an eagerness to enlarge his exception until it becomes the rule this volume primarily appeals to those for whom the bible is the final authority in all matters of belief and behaviour especially those who preach to teach and counsel others the author believes that the church should be leading the world uphill rather than following the world downhill david pawson has a worldwide teaching ministry particularly for church leaders he is known to many through christian broadcasting and is the author of numerous books

david pawson was widely regarded as one of the finest bible teachers of our generation this is a collection of tributes from around the world of david s friends it contains personal stories of their friendships with david as well as how david s teaching ministry had impacted them and others in the churches in their countries in these tributes we see different aspects of david that are not as well known but that have endeared him to his friends what they say about david pawson his life and ministry were well lived and stand as an outstanding example in our day when such things are rare along with thousands of others i thank the lord for having known david and for the seeds of biblical truth he sowed into my life peter tsukahira a gentle and generous spiritual giant dr daniel ho i consider him to be one of the finest teachers of the word of god in our generation pastor yang tuck yoong we celebrate his bible teaching and many om leaders and others listened way back when they were on tapes that went around the world the greatest thing i celebrate is that he persevered through many difficulties and challenges only heaven will tell the story

george verwer he avoids religious and theological jargon and understates his sharp intellect and scholarship he is only intent on communicating biblical truth and glorifying christ not himself his teaching style is gentle yet uncompromising you are welcome to challenge him but make sure you have studied all the scripture on the subject before you do justice dr philip pillai whether the angels in heaven will be ready for such a man i don t know i can t imagine they would have met too many people as passionate about truth as david nor as gifted in communicating it dr ian stackhouse

as a history book the bible is unique telling us about the future as well as the past to become obsessed with either is to evade life s challenges both perspectives are needed to live over the circumstances of the present the book of revelation focuses on the future and can produce two reactions among christians some cannot get into it and others cannot get out of it we need a more balanced view of its significance after all it is the only book in the whole bible to which god has attached a special blessing and an awful curse it was written for ordinary people under extraordinary pressure suffering is the key to its understanding it is a manual for martyrdom as history draws to a close all christians need its message of warning and encouragement

christians everywhere await christ s return will he come to the whole world or just one place soon and suddenly or after clear signs what can he achieve by coming back here and how long will it take few theologians speak with such clarity and uncompromising biblical faithfulness as david pawson based on a new approach to the intrpretation of the book of revelation pawson here discusses in detail the controversial and misunderstood subject of the rapture and uncovers the true significance of the millennium this popular and highly topical book is being re issued with a striking new cover

the author writes john 3 16 is often referred to as the gospel in a nutshell i believe it is one of the most mistranslated verses in the bible like most christians i totally misunderstood the verse so i am warning you now that i may spoil john 3 16 for you for the rest of your life but i hope that this book will also give you the true meaning of what is a wonderful message and a very important one especially for christians

## **The Normal Christian Birth**

2015-03-12

the majority of evangelical view is that once someone has accepted christ as saviour they are guaranteed salvation but is it safe to assume that once we are saved we are saved for always david pawson investigated this through biblical evidence historical figures such as augustine luther and wesley and evangelical assumptions about grace and justification divine sovereignty and human responsibility he asks whether something more than being born again is required so that our inheritance is not lost this book helps us to deicde whether once saved always saved is real assurance or a misleading assumption the answer will have profound effects on the way we live and disciple others

what is the eternal punishment of the lost what is the eternal life that god promises his people what is this hell which is claimed as part of christian belief but goes against our sense of justice and rightness why were adam and eve thrown out of eden can a god of love send most of those he has made in his own image to a place of nonstop torment what is the connection between the current heaven and earth and the new heaven and earth that god promises beginning with the tree of life and taking hebrews 12:29 our god is a consuming fire as his pivotal text michael greed addresses these and similar questions his central argument is that there is only one fire in the bible our god who is a consuming purifying fire

john is a remarkable gospel utterly different from the other three it reflects the unique insights of the man who was closest to jesus while he was on earth and is full of concern that we should not just know about what jesus did but should also realize who he was it reflects too john s burden the believers in jesus should not be side tracked by erroneous teaching whether concerning jesus identity or the veracity of his claims he wanted believers to be absolutely sure that eyewitnesses jesus own words and his astonishing works all point to one who was truly god come in the flesh the living word the very glory of god among humanity john s collected evidence and proof all make the most compelling testimony to jesus right to demand our on going trust and obedience

christian zionism has received no small amount of criticism from observers who take issue with the movement's pro israel politics or its theology what if we listened seriously to what christian zionists and jewish partners said about jews judaism and israel christian zionism is a vibrant contemporary movement that agree or disagree has more than just political implications christian zionism has also brought an unprecedented number of jews and christians into contact and dialogue in houses of worship community centers rallies and of course in israel as such christian zionism is a useful case that allows us to think about contemporary jewish christian relations in new ways while some would argue that this is really just about pro israel alliance building christian zionism navigating the jewish christian border shows how this movement significantly engages basic questions of identity and the borders between judaism and christianity christian zionism serves as one chapter in the history of two religious communities and the fraught relationships between them facing together the globalized world of the twenty first century

these two letters were written by the man who tried to persuade jesus not to be crucified also wanted to erect three shrines on a mountain top for mozes elijah and jesus also was targeted by satan to be sifted separated from the other disciples and whose self confident loyalty was shattered three times within twenty four hours but he had a special place on his lord's prayer list which was undoubtedly a major cause of his transformation from a reed simon into a rock peter which enabled him to be the first pastor not pope of the church and the first preacher of the gospel after pentecost this high calling qualified him to protect both the church from the persecution outside and the gospel from the corruption inside that is why his first epistle majors on suffering and the second on backsliding the latter containing the clearest warning against once saved always saved complacency his boldness led to his own crucifixion upside down at his own request bear this in mind as you read both his pastoral letters
