Henry II 2000 henry ii 1133 1189 was an enigma in his own time and has continued to excite widely divergent judgments ever since his quarrel with archbishop becket his troubled relationships with his sons and with his wife eleanor of aquitaine and other dramatic incidents of his reign present rich material for historical novelists playwrights and filmmakers but with no unanimity of interpretation this masterful biography provides a comprehensive reappraisal of henry ii the man and king w l warren explores a full range of contemporary sources to illuminate the king s policy and personality as well as the events of his reign henry ii s greatness as a king is not in doubt from an early age he impressed his will on a turbulent realm and established new standards of law and order in seemingly ungovernable territories he fought and won the first great war over the balance of power in western europe laid the foundations for the growth of english common law and of royal administration and destroyed the possibility that the realm might disintegrate into feudal principalities warren focuses on the actions of the king and while not underrating the importance of the famous crises of henry s reign gives equal attention to incidents that are little known but equally revealing

Henry VIII 2011-05-31 henry viii s forceful personality dominated his age and continues to fascinate our own in few other reigns have there been developments of such magnitude in politics foreign relations religion and society that have so radically affected succeeding generations above all the english reformation and the break with rome are still felt more than four centuries on first published in 1968 j j scarisbrick s *henry viii* remains the standard account a thorough exploration of the documentary sources stylishly written and highly readable in an updated foreword professor scarisbrick takes stock of subsequent research and places his classic account

of recent publications it is the magisterial quality of j j scarisbrick s work that has enabled it to hold the field for so long steve gunn times literary supplement

George IV 1999-01-01 this biography of king george iv provides a reassessment of the monarch s character reputation and achievement it examines his important contributions to the cultural enhancement of his capital and his encouragement of artistic literary and scholarly figures

Edward II 2011 this biography does not present edward ii as a heroic or successful king his deposition after a turbulent reign of nearly twenty years is proof enough that it went terribly wrong but seymour phillips scrutiny of the multitude of available sources shows that a richer picture emerges in line with the complexity of events and of the man himself if edward ii was not a successful king he was not fundamentally different in many ways from most english monarchs the biography strikes a deft balance taking full account of the problems the king faced in england scotland and ireland and in his relations with france it also tackles the contentious issue of whether edward ii did not die in 1327 murdered under barbaric circumstances but lived on as a captive in england and then a wanderer on the continent

Mary I 2011-09-22 a new appraisal of the first tudor queen offers a detailed portrait of the daughter of henry viii and his spanish wife catherine of aragon exploring her religious faith and policies as well as her historical significance in english history

George II 2011-01-01 despite a long and eventful reign britain s george ii is a largely forgotten monarch his achievements overlooked and his abilities misunderstood this landmark biography uncovers extensive new evidence in british and german archives the king

possible the most complete and accurate assessment of this thirty three year reign andrew c thompson paints a richly detailed portrait of the many faceted monarch in his public as well as his private life born in hanover in 1683 george augustus first came to london in 1714 as the new prince of wales he assumed the throne in 1727 held it until his death in 1760 and has the distinction of being britain s last foreign born king and the last king to lead an army in battle with george s story at its heart the book reconstructs his thoughts and actions through a careful reading of the letters and papers of those around him thompson explores the previously underappreciated roles george played in the political processes of britain especially in foreign policy and also charts the intricacies of the king s complicated relationships and reassesses the lasting impact of his frequent return trips to hanover george ii emerges from these pages as an independent and cosmopolitan figure of undeniable historical fascination

Edward I 2008-10-01 edward i one of the outstanding monarchs of the english middle ages pioneered legal and parliamentary change in england conquered wales and came close to conquering scotland a major player in european diplomacy and war he acted as peacemaker during the 1280s but became involved in a bitter war with philip iv a decade later this book is the definitive account of a remarkable king and his long and significant reign widely praised when it was first published in 1988 it is now reissued with a new introduction and updated bibliographic guide praise for the earlier edition a masterly achievement a work of enduring value and one certain to remain the standard life for many years times literary supplement a fine book learned judicious carefully thought out and skillfully presented it is as near comprehensive as any single volume could be history today to have died more revered than any other english monarch was an

outstanding achievement and it is worthily commemorated by this outstanding addition to the corpus of royal biographies times education supplement

King Stephen 2011-01-18 this compelling new biography provides the most authoritative picture yet of king stephen whose reign 1135 1154 with its nineteen long winters of civil war made his name synonymous with failed leadership after years of work on the sources edmund king shows with rare clarity the strengths and weaknesses of the monarch keeping stephen at the forefront of his account the author also chronicles the activities of key family members and associates whose loyal support sustained stephen s kingship in 1135 the popular stephen was elected king against the claims of the empress matilda and her sons but by 1153 stephen had lost control over normandy and other important regions england had lost prestige and the weakened king was forced to cede his family s right to succession a rich narrative covering the drama of a tumultuous reign this book focuses well deserved attention on a king who lost control of his destiny

Richard III 2011-05-28 richard iii ruled england for a mere twenty six months yet few english monarchs remain as compulsively fascinating and none has been more persistently vilified in his absorbing and universally praised account charles ross assesses the king within the context of his violent age and explores the critical questions of the reign why and how richard plantagenet usurped the throne the belief that he ordered the murder of the princes in the tower the events leading to the battle of bosworth in 1485 and the death of the yorkist dynasty with richard himself in a new foreword professor richard a griffiths identifies the attributes that have made ross s account the leading biography in the field and assesses the importance of the confessor

published since the book first appeared in 1981 a fascinating study on a perennially fascinating topic the base against which will be measured any future research times higher education supplement

Henry VII 1999-01-01 founder of the tudor dynasty henry vii was a crucial figure in english history in this acclaimed study of the king s life and reign the distinguished historian s b chrimes explores the circumstances surrounding henry s acquisition of the throne examines the personnel and machinery of government and surveys the king s social political and economic policies law enforcement and foreign strategy this edition of the book includes a new critical introduction and bibliographical updating by george bernard

Henry VI 2001-01-01 in this widely acclaimed biography bertram wolffe challenges the traditional view of henry vi as an unworldly innocent and saintly monarch and offers instead a finely drawn but critical portrait of an ineffectual ruler drawing on widespread contemporary evidence wolffe describes the failures of henry s long reign from 1422 to 1471 which included the collapse of justice the loss of the french territories and the final disintegration of his government he argues that the posthumous cult of henry was promoted by henry vii as a way of excusing his uncle s political failures while enhancing the image of the dynasty this edition includes a new foreword by john watts that discusses the book and its place in the evolving literature reviews of the earlier edition a brilliant biography that brings us as near as we are ever likely to come to this elusive personality sunday times london a powerful compulsively readable portrait observer much learning skillfully deployed as here evokes pleasure as well as admiration r l storey times literary supplement

Yale English Monarchs Series 1997 thanks in part to shakespeare

henry v is one of england s best known monarchs edward the confessor

king leading his army against the french and the great victory at agincourt are part of english historical tradition yet though indeed a soldier of exceptional skill henry v s reputation needs to be seen against a broader background of achievement this sweepingly majestic book is based on the full range of primary sources and sets the reign in its full european context christopher allmand shows that henry v not only united the country in war but also provided domestic security solid government and a much needed sense of national pride the book includes an updated foreword which takes stock of more recent publications in the field a far more rounded picture of henry as a ruler than any previous study g l harris the times

Henry V 2014-11-01 william ii better known as william rufus was the third son of william the conqueror and england s king for only 13 years 1087 1100 before he was mysteriously assassinated in this vivid biography here updated and reissued with a new preface frank barlow reveals an unconventional flamboyant william rufus a far more attractive and interesting monarch than previously believed weaving an intimate account of the life of the king into the wider history of anglo norman government barlow shows how william confirmed royal power in england restored the ducal rights in france and consolidated the norman conquest a boisterous man william had many friends and none of the cold cruelty of most medieval monarchs he was famous for his generosity and courage and generally known to be homosexual licentious eccentric and outrageous his court was attacked at the time by anselm archbishop of canterbury and later by censorious historians this highly readable account of william rufus and his brief but important reign is an essential volume for readers with an interest in anglo saxon and medieval history or in the lives of extraordinary monarchs

William Rufus 2008-10-01 henry iv 1399 1413 the son of john of gaunt duke of lancaster seized the english throne at the age of thirty two from his cousin richard ii and held it until his death aged forty five when he was succeeded by his son henry v this comprehensive and nuanced biography restores to his rightful place a king often overlooked in favor of his illustrious progeny henry faced the usual problems of usurpers foreign wars rebellions and plots as well as the ambitions and demands of the lancastrian retainers who had helped him win the throne by 1406 his rule was broadly established and although he became ill shortly after this and never fully recovered he retained ultimate power until his death using a wide variety of previously untapped archival materials chris given wilson reveals a cultured extravagant and skeptical monarch who crushed opposition ruthlessly but never quite succeeded in satisfying the expectations of his own supporters

Henry IV 2016-01-01 the powerful and innovative king aethelstan reigned only briefly 924 939 yet his achievements during those eventful fifteen years changed the course of english history he won spectacular military victories most notably at brunanburh forged unprecedented political connections across europe and succeeded in creating the first unified kingdom of the english to claim for him the title of first english monarch is no exaggeration in this nuanced portrait of aethelstan sarah foot offers the first full account of the king ever written she traces his life through the various spheres in which he lived and worked beginning with the intimate context of his family then extending outward to his unusual multiethnic royal court the church and his kingdom the wars he conducted and finally his death and legacy foot describes a sophisticated man who was not only a great military leader but also a worthy king

developed creative ways to project his image as a ruler and devised strategic marriage treaties and gift exchanges to cement alliances with the leading royal and ducal houses of europe aethelstan s legacy seen in the new light of this masterful biography is inextricably connected to the very forging of england and early english identity

AEthelstan 2011-07-12 a seminal biography of the underappreciated eleventh century scandinavian warlord turned anglo saxon monarch who united the english and danish crowns to forge a north sea empire historian timothy bolton offers a fascinating reappraisal of one of the most misunderstood of the anglo saxon kings cnut the powerful danish warlord who conquered england and created a north sea empire in the eleventh century this seminal biography draws from a wealth of written and archaeological sources to provide the most detailed accounting to date of the life and accomplishments of a remarkable figure in european history a forward thinking warrior turned statesman who created a new anglo danish regime through designed internationalism

Cnut the Great 2017-01-01 in 1714 george ludwig the fifty eight year old elector of brunswick lüneburg became as george i the first of the hanoverian dynasty to rule britain until his death in 1727 george served as both elector of hanover and british monarch an enigmatic figure whose real character has long been concealed by anti hanoverian propaganda george emerges in this ground breaking biography as an impressive ruler who grasped the responsibilities the accession brought him and set out to bring culture to what he considered the unsophisticated english nation ragnhild hatton s biography is the only comprehensive account of george s life and reign it draws on a wide range of archival sources in several languages to illuminate the fascinating details of george s life and

dynastic crises his plans and ambitions for the british nation the impact of his rationalist ideas and his accomplishments as king the book also examines george s personal life his family relationships in both prussia and england his private interest in music and the arts and the improvement of his british and hanoverian properties ragnhild hatton was professor of international history at the university of london and the author of charles xii of sweden 1968 europe in the age of louis xiv 1969 and louis xiv and his world 1972 jeremy black who has written a new foreword for this edition is professor of history at the university of exeter

George I 2001-01-01 richard ii is one of the most enigmatic of english kings shakespeare depicted him as a tragic figure an irresponsible cruel monarch who nevertheless rose in stature as the substance of power slipped from him by later writers he has been variously portrayed as a half crazed autocrat or a conventional ruler whose principal errors were the mismanagement of his nobility and disregard for the political conventions of his age this book the first full length biography of richard in more than fifty years offers a radical reinterpretation of the king nigel saul paints a picture of richard as a highly assertive and determined ruler one whose key aim was to exalt and dignify the crown in richard s view the crown was threatened by the factiousness of the nobility and the assertiveness of the common people the king met these challenges by exacting obedience encouraging lofty new forms of address and constructing an elaborate system of rule by bonds and oaths saul traces the sources of richard s political ideas and finds that he was influenced by a deeply felt orthodox piety and by the ideas of the civil lawyers he shows that although richard s kingship resembled that of other rulers of the period unlike theirs his reign ended in failure because of the

errors and contradictions in his policies for all that he promoted the image of a distant all powerful monarch richard ii s rule was in practice characterized by faction and feud the king was obsessed by the search for personal security in his subjects however he bred only insecurity and fear a revealing portrait of a complex and fascinating figure the book is essential reading for anyone with an interest in the politics and culture of the english middle ages

Yale English Monarchs 2000 with the emphasis firmly on richard s monarchy rather than on his personal life gillingham s history aims to explain why the lionheart s reputation has fluctuated more than that of any other monarch the study places richard in europe the mediterranean and palestine and demonstrates that few rulers had more enemies or more influence

Richard II 2008-10-01 the definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch the most infamous king in british history the reign of richard iii the last yorkist king and the final monarch of the plantagenet dynasty marked a turning point in british history but despite his lasting legacy richard only ruled as king for the final two years of his life while much attention has been given to his short reign michael hicks explores the whole of richard s fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of bosworth hicks explores how richard villainized for his imprisonment and probable killing of the princes applied his experience to overcome numerous setbacks and adversaries richard proves a complex conflicted individual whose machiavellian tact and strategic foresight won him a kingdom he was a reformer who planned big changes but lost the opportunity to fulfill them and to retain his crown

Richard I 2002-01-01 henry i son of william the conqueror ruled from 1100 to 1135 a time of fundamental change in the anglo norman world this long awaited biography written by one of the most distinguished medievalists of his generation offers a major reassessment of henry s character and reign challenging the dark and dated portrait of the king as brutal greedy and repressive it argues instead that henry s rule was based on reason and order c warren hollister points out that henry laid the foundations for judicial and financial institutions usually attributed to his grandson henry ii royal government was centralized and systematized leading to firm stable and peaceful rule for his subjects in both england and normandy by mid reign henry i was the most powerful king in western europe and with astute diplomacy an intelligence network and strategic marriages of his children legitimate and illegitimate he was able to undermine the various coalitions mounted against him henry strove throughout his reign to solidify the anglo norman dynasty and his marriage linked the normans to the old english line hollister vividly describes henry s life and reign places them against the political background of the time and provides analytical studies of the king and his magnates the royal administration and relations between king and church the resulting volume is one that will be welcomed by students and general readers alike

Richard III 2021-03-09 edward iii 1312 1377 was the most successful european ruler of his age reigning for over fifty years he achieved spectacular military triumphs and overcame grave threats to his authority from parliamentary revolt to the black death revered by his subjects as a chivalric dynamo he initiated the hundred years war and gloriously led his men into battle against the scots and the french in this illuminating biography w mark ormsrod takes a deeper look at

edward to reveal the man beneath the military muscle what emerges is edward s clear sense of his duty to rebuild the prestige of the crown and through military gains and shifting diplomacy to secure a legacy for posterity new details of the splendor of edward s court lavish national celebrations and innovative use of imagery establish the king s instinctive understanding of the bond between ruler and people with fresh emphasis on how edward s rule was affected by his family relationships including his roles as traumatized son loving husband and dutiful father ormsrod gives a valuable new dimension to our understanding of this remarkable warrior king

Henry I 2001-01-01 black s biography deals comprehensively with the politics the wars and the domestic issues and harnesses the richest range of unpublished sources in britain germany and the united states to explore the king s scientific cultural and intellectual interests as no other biographer has done

Edward III 2012-01-24 henry viii s forceful personality dominated his age and continues to fascinate our own in few other reigns have there been developments of such magnitude in politics foreign relations religion and society that have so radically affected succeeding generations above all the english reformation and the break with rome are still felt more than four centuries on first published in 1968 j j scarisbrick s henry viii remains the standard account a thorough exploration of the documentary sources stylishly written and highly readable in an updated foreword professor scarisbrick takes stock of subsequent research and places his classic account within the context of recent publications it is the magisterial quality of j j scarisbrick s work that has enabled it to hold the field for so long steve gunn times literary supplement

2018-02-09 **13/24** **edward the confessor**
revised yale english monarchs

and successful king who rescued england from the miseries of civil war and provided the country with firm judicious and popular government the prejudices of later historians diminished this high reputation until recent research confirmed edward as a ruler of substantial achievement whose methods and policies formed the foundation of early tudor government this classic study by charles ross places the reign firmly in the context of late medieval power politics analyzing the methods by which a usurper sought to retain his throne and reassert the power of a monarchy seriously weakened by the feeble rule of henry vi edward s relations with the politically active classes the merchants gentry and nobility form a major theme and against this background ross provides an evaluation of the many innovations in government on which the king s achievement rests

Henry VIII 1968 a life of matilda empress skilled military leader and one of the greatest figures of the english middle ages matilda was a daughter wife and mother but she was also empress heir to the english crown the first woman ever to hold the position and an able military general this new biography explores matilda s achievements as military and political leader and sets her life and career in full context catherine hanley provides fresh insight into matilda s campaign to claim the title of queen her approach to allied kingdoms and rival rulers and her role in the succession crisis hanley highlights how matilda fought for the throne and argues that although she never sat on it herself her reward was to see her son become king extraordinarily her line has continued through every single monarch of england or britain from that time to the present day

Edward IV 1998-01-21 edward vi was the son of henry viii and his second wife jane seymour he ruled for only six years 1547 1553 and died at the age of sixteen but these were years of Edward the Confessor

importance in the history of the english state and in particular of the english church this new biography reveals for the first time that despite his youth edward had a significant personal impact jennifer loach draws a fresh portrait of the boy king as a highly precocious well educated intellectually confident and remarkably decisive youth with clear views on the future of the english church loach also offers a new understanding of edward s health arguing that the cause of his death was a severe infection of the lungs rather than tuberculosis the commonly accepted diagnosis the author views edward not as a sickly child but as a healthy and vigorous boy devoted to hunting and tournaments like any young aristocrat of the day this book tells the story of the monarch and of his time it supplies the dramatic context in which the short reign of edward vi was played out the momentous religious changes factional fights and popular risings and it offers vivid details on edward s increasing absorption in politics his consciousness of his role as supreme head of the english church his determination to lay the foundation for a protestant regime and how his failure in this ambition brought england to the brink of civil war

Matilda 2019-04-23 frank barlow s magisterial biography first published in 1970 and now reissued with new material rescues edward the confessor from contemporary myth and subsequent bogus scholarship disentangling verifiable fact from saintly legend he vividly re creates the final years of the anglo danish monarchy and examines england before the norman conquest with deep insight and great historical understanding deploying all the resources of formidable scholarship barlow has recovered the real edward spectator

Edward VI 2014-11-01 fifteen years in the making a landmark reinterpretation of the life of a pivotal figure in british and european history in this magisterial addition to the yale english monarchs

david bates combines biography and a multidisciplinary approach to examine the life of a major figure in british and european history using a framework derived from studies of early medieval kingship he assesses each phase of william s life to establish why so many trusted william to invade england in 1066 and the consequences of this on the history of the so called norman conquest after the battle of hastings and for generations to come a leading historian of the period bates is notable for having worked extensively in the archives of northern france and discovered many eleventh and twelfth century charters largely unnoticed by english language scholars taking an innovative approach he argues for a move away from old perceptions and controversies associated with william s life and the norman conquest this deeply researched volume is the scholarly biography for our generation

Edward the Confessor 2011-06-28 provides a biographical sketch of william the conqueror c 1028 1087 who ruled from 1066 87 as part of an index of the monarchs of great britain presented by britannia internet magazine links to related sites and to information on other monarchs

William the Conqueror 2016-11-01 an authoritative life of edward the confessor the monarch whose death sparked the invasion of 1066 one of the last kings of anglo saxon england edward the confessor regained the throne for the house of wessex and is the only english monarch to have been canonized often cast as a reluctant ruler easily manipulated by his in laws he has been blamed for causing the invasion of 1066 the last successful conquest of england by a foreign power tom licence navigates the contemporary webs of political deceit to present a strikingly different edward he was a compassionate man and conscientious ruler whose reign marked an inter

prosperity between periods of strife more than any monarch before he exploited the mystique of royalty to capture the hearts of his subjects this compelling biography provides a much needed reassessment of edward s reign calling into doubt the legitimacy of his successors and rewriting the ending of anglo saxon england

William the Conqueror 1964 divan imaginative reassessment of Æthelred the unready one of medieval england s most maligned kings and a major anglo saxon figure the anglo saxon king Æthelred the unready 978 1016 has

Edward the Confessor 2020-09-29 in william the conqueror professor douglas analyzes the causes and the true character of the norman impact upon england in the eleventh century the work is both a study of anglo norman history and a biography of a man whose personal career was spectacular and as reviewers have remarked it is distinguished by a wealth of scholarship linked to a lucid and agreeable style

Æthelred 2016-09-15 first published by methuen in 1981

William the Conqueror 1999 the definitive biography and assessment of the wily and formidable prince who unexpectedly became monarch the most infamous king in british history the reign of richard iii the last yorkist king and the final monarch of the plantagenet dynasty marked a turning point in british history but despite his lasting legacy richard only ruled as king for the final two years of his life while much attention has been given to his short reign michael hicks explores the whole of richard s fascinating life and traces the unfolding of his character and career from his early years as the son of a duke to his violent death at the battle of bosworth hicks explores how richard villainized for his imprisonment and probable killing of the princes applied his experience to over

setbacks and adversaries richard proves a complex conflicted individual whose machiavellian tact and strategic foresight won him a kingdom he was a reformer who planned big changes but lost the opportunity to fulfill them and to retain his crown provided by publisher

King John 1997 henry ii was an enigma to contemporaries and has excited widely divergent judgements ever since dramatic incidents of his reign such as his quarrel with archbishop becket and his troubled relations with his wife eleanor of aquitaine and his sons have attracted the attention of historical novelists playwrights and filmmakers but with no unanimity of interpretation that he was a great king there can be no doubt yet his motives and intentions are not easy to divine and it is professor warren s contention that concentration on the great crises of the reign can lead to distortion this book is therefore a comprehensive reappraisal of the reign based with rare understanding on contemporary sources it provides a coherent and persuasive reevaluation of the man and the king and is in itself an eloquent and impressive achievement

Richard III 2019-11-26 the first in a ground breaking two volume history of henry iii s rule professor carpenter is one of britain s foremost medievalists no one knows more about henry and a lifetime of scholarship is here poured out elegantly and often humorously this is a fine judicious illuminating work that should be the standard study of the reign for generations to come dan jones the sunday times nine years of age when he came to the throne in 1216 henry iii had to rule within the limits set by the establishment of magna carta and the emergence of parliament pacific conciliatory and deeply religious henry brought many years of peace to england and rebuilt westminster abbey in honor of his patron saint edward the confessor

he poured money into embellishing his palaces and creating a magnificent court yet this investment in soft power did not prevent a great revolution in 1258 led by simon de montfort ending henry s personal rule eminent historian david carpenter brings to life henry s character and reign as never before using source material of unparalleled richness material that makes it possible to get closer to henry than any other medieval monarch carpenter stresses the king s achievements as well as his failures while offering an entirely new perspective on the intimate connections between medieval politics and religion

Henry II 1973 fifteen years in the making a landmark

reinterpretation of the life of a pivotal figure in british and european history in this magisterial addition to the yale english monarchs series david bates combines biography and a multidisciplinary approach to examine the life of a major figure in british and european history using a framework derived from studies of early medieval kingship he assesses each phase of william s life to establish why so many trusted william to invade england in 1066 and the consequences of this on the history of the so called norman conquest after the battle of hastings and for generations to come a leading historian of the period bates is notable for having worked extensively in the archives of northern france and discovered many eleventh and twelfth century charters largely unnoticed by english language scholars taking an innovative approach he argues for a move away from old perceptions and controversies associated with william s life and the norman conquest this deeply researched volume is the scholarly biography for our generation
