of tausret the last pharaoh of the 19th dynasty c twelfth century bce  
and one of only a few women who ruled ancient egypt as a king during its  
history

## **Hatshepsut 2018-02-04**

smarter in sixty minutes get smarter in just 60 minutes with in60learning concise and elegantly written non fiction books and audiobooks help you learn the core subject matter in 20 of the time that it takes to read a typical book life is short so explore a multitude of fascinating historical biographical scientific political and financial topics in only an hour each when pharaoh thutmose ii died he left an heir far too young to rule egypt his widow hatshepsut stepped up to take his place for at least the next 20 years hatshepsut ruled as pharaoh king of egypt in an era of prosperous growth and peace when she died her nephew thutmose iii attempted to smear her good name and wipe her memory from history however despite his efforts his aunt hatshepsut holds the title of most famous native egyptian woman to ever rule as pharaoh she also retains a legacy as one of the most successful female leaders in early history

## **Hatshepsut 2005**

the female pharaoh hatshepsut reigned for nearly twenty years during egypt s early new kingdom in the fifteenth century b c first acting as regent for her young nephew stepson thutmose iii she in time assumed the title of king and exercised the full powers of the throne as senior co ruler in accordance with egyptian tradition hatshepsut was often depicted as a male king after her death however monuments bearing her image were ruthlessly defaced and her name was erased from historical accounts hatshepsut s rise to power and the nature of her kingship have long been debated by scholars this fascinating period one of immense artistic creativity is illuminated by this volume s rich presentation of monumental royal sculpture and reliefs ceremonial objects exquisite personal items for everyday use and dazzling jewelry essays focus on influences from the neighboring near east nubia and the aegean the innovative architecture built by hatshepsut powerful figures in the royal court during her reign archaeological finds from this period and mysteries surrounding the destruction of hatshepsut s statues and the obliteration of her name the first in depth treatment of the subject daughter of re is an important investigation into the impact of hatshepsut s reign on the history culture and artistic output of egypt publisher description

## ***Hatchepsut 1998-01-29***

queen or as she would prefer to be remembered king hatchepsut was an astonishing woman brilliantly defying tradition she became the female embodiment of a male role dressing in men s clothes and even wearing a false beard forgotten until egyptologists deciphered hieroglyphics in the 1820 s she has since been subject to intense speculation about her actions and motivations combining archaeological and historical evidence from a wide range of sources joyce tyldesley s dazzling piece of detection strips away the myths and misconceptions and finally restores the female pharaoh to her rightful place

## ***The Woman Who Would be King 2015-01-22***

hatshepsut the daughter of a general who had usurped the throne of egypt was born into a privileged position within the royal household married off to her own brother she was expected to bear sons who would legitimize the reign of her father s family but she failed to produce a male heir such was the twist of fate that paved the way for her own scarcely believable rule she ascended to the throne as a king over a spectacular twenty two year reign hatshepsut proved herself a master strategist cloaking her political power plays with a veil of piety and sexual reinvention just as women today face obstacles from a society that equates authority with masculinity hatshepsut had to operate the levers of a patriarchal system to emerge as egypt s second female pharaoh scholars have long speculated as to why her images were violently destroyed within a few decades of her death all but erasing evidence of her rule constructing a rich narrative history using the sources that remain noted egyptologist kara cooney offers a remarkable interpretation of how hatshepsut rapidly but methodically consolidated power and why she fell from public favour just as quickly the woman who would be king traces the unconventional life of a female pharaoh and explores our complicated reactions to women in power

## ***In Search of the Egyptian Queen 2002***

over the centuries the figure of the queen of sheba has loomed large in poetry and romance the mysterious queen who is said to have visited solomon in jerusalem has cast her spell over poets painters and storytellers of many lands the people of ethiopia have always claimed her as her own and to this day boast that her son menelik fruit of the union between the queen and solomon stole the ark of the covenant from the temple in jerusalem after solomon s death for all that historians

have been more sanguine and increasingly over the past century the academic community has veered towards consigning both royal characters to the fairyland of myth and romance in 1952 however immanuel velikovsky made an astonishing claim he announced that not only did the queen of sheba exist but that she left numerous portraits of herself as well as an account of her famous journey to israel the queen of sheba velikovsky announced was none other than hatshepsut the female pharaoh of egypt who built a beautiful temple outside thebes on the walls of which she immortalized the most important event of her life an expedition to the land of punt punt said velikovsky was one and the same as israel in this volume historian emmet scott brings forward dramatic new evidence in support of velikovsky he finds among other things that ancient israel just like punt was a renowned source of frankincense egyptian documents generally ignored in academic circles unequivocally place punt in the region of syria palestine the goddess hathor was known as the lady of punt but she was also known as the lady of byblos the egyptians claimed to be of puntite origin but jewish and phoenician legends claimed that the egyptians came from their part of the world and the phoenicians named misor almost certainly the same as osiris as the phoenician hero who founded the nile kingdom this and a wealth of additional evidence has scott argues shifted the burden of proof onto velikovsky s critics and the identification of hatshepsut with the queen of sheba will eventually compel the rewriting of all the history books joyce tyldesley s hatchepsut deals with the same character but from an entirely conventional viewpoint she never even raises the possibility that the accepted chronology of hatshepsut s life may be wrong in his ages in chaos however immanuel velikovsky did raise this possibility and was the first to suggest that hatshepsut be identified with the queen of sheba velikovsky s work remains extremely popular and the present book aims to take his ideas forward exploring new evidence that has come to light since his death this new evidence scott argues puts the equation of hatshepsut with the queen of sheba virtually beyond doubt

## **Hatshepsut, Queen of Sheba 2012**

celebrated in literature and hollywood movies the lives of the ancient egyptian queens have become synonymous with power beauty and glory cleopatra nefertiti nefertari and hatchepsut are familiar names today although the women themselves are not known as well as the mythology around them the wives mothers or daughters of pharaohs their influence on three thousand years of ancient egyptian history is indisputable this book offers a unique and heretofore unexplored insight into the key role they played and unveils the true nature of their political and spiritual

influence which was very different from the cliched portrayals most readers are familiar with some of the questions answered in this book include what was the real status of the egyptian queens what was the status of second wives and concubines what was their role in religious celebrations what was their beauty regime

## **Queens of Egypt 2008**

the year is 1477 b c e and history is about to change hatshepsut the great king s wife is thrust into a world of intrigue and politics when her husband pharaoh thutmose dies suddenly leaving egypt with an heir who is barely two years old the queen must step into the role of leader and there are few whom she can trust when hatshepsut is crowned as pharaoh she grooms her daughter neferure to take the place of heir rather than thutmose s infant son from another woman neferure though young is still older than the boy who should by all rights be king the future of egypt rests in the hands of a single woman the most powerful woman in the ancient world can pharaoh hatshepsut s people accept her unorthodox reign and her plans to usurp the men s place as rulers of a kingdom decreeing that only women are suitable leaders

## **The Pharaoh's Destiny (Pharaoh Queens 1) 2017-09-20**

a vivid account of two female pharaohs beautiful nefertiti 1367 1350 bc and mysterious cleopatra 51 30 bc both politically adept they also distinguished themselves in their love for the greatest men of their day nefertiti for the sun worshipping akhenaten and cleopatra for julius caesar and mark antony the author has researched museum collections and excavation reports as well as contemporary writings to recreate the settings of their domestic lives

## **Nefertiti and Cleopatra 1985**

egypt s sun queen magnificently revealed in a new book by renowned egyptologist aidan dodson nefertiti s name and face are perhaps the best known of any royal woman of ancient egypt yet for many she is little more than an icon or archetype of ancient beauty however recent research has fleshed out our knowledge or at least credible hypotheses about her life and career pointing to her being an important political figure in her own right rather than simply the principal spouse of the so called heretic king akhenaten and mother in law if not mother of tutankhamun in

nefertiti queen and pharaoh of egypt aidan dodson explores what we actually know about nefertiti and what we can realistically extrapolate about her from the diverse and often incomplete data that survives regarding her life from the late fourteenth century bc in doing so he sketches a career that saw nefertiti begin as a scion of a royally connected provincial military family and end as a fully fledged female pharaoh who played a crucial role in the first stages of the return to orthodoxy from her late husband s religious revolution all indications are that her final fate was a tragic one but although every effort was made to wipe out nefertiti s memory after her death modern archaeology has rescued the queen pharaoh from obscurity and set her on the road to the status of a modern cultural icon

## ***Nefertiti, Queen and Pharaoh of Egypt 2020-09***

a romantic historical fiction novel which covers the lives of two of ancient egypt s most fascinating personalities rumours persist in some egyptian archaeological circles that hatshepsut and senmut were lovers this story suggests more it entails a scenario where not only are they secret lovers but they become the parents of two children it covers how hatshepsut and senmut meet fall in love and deceive the people of egypt for close to forty years hatshepsut s life is scrutinised as it progresses through stages of pharaoh s daughter to pharaoh s wife she then becomes regent to her step son thutmosis the third before scheming to attain pharaonic status for herself hatshepsut achieves all this in a male dominated world included is an account of her daughter neferure s life love and supposed death for good measure the novel gives the female pharaoh a further daughter the fiery merytre hatshepsut love subterfuge and murder as well as vivid dreams and omens involving the sphinx occurring throughout hatshepsut s life all through these turbulent years her great life s love senmut is by her side he is her inspiration secret partner and the builder of a stupendous mortuary temple for her it is a relationship that lasts from their first to their last kiss

## **The Life and Loves of Hatshepsut 2020-10**

intelligence to move in a world of men only her understanding of power and her schemes to get it aided her in becoming the greatest female queen pharaoh in egypt s history this author believes her to be the princess who drew the prophet moses from the Nile river the newest discoveries in egypt of a tombs of the pharaoh may soon have more to say about this fascinating queen

## **Hatshepsut 2015-03-08**

the definitive book that recounts the full history of the colorful queens of egypt this fascinating saga spans 3 000 years of egyptian queenship from early dynastic times until the suicide of Cleopatra in 30 BC starting with the unique role enjoyed by egypt s women in the ancient world the book goes on to present a biographical portrait of every queen supplemented by a wealth of pictorial detail datafiles genealogical trees timelines and special features from childbirth to wigs highlighting different aspects of egyptian culture the queen of egypt was first and foremost a supportive wife and mother but in times of dynastic crisis she was expected to act as her husband s deputy the queen might be required to marshal troops or to rule on behalf of an infant son she might even be called upon to rule in her own right in the absence of a suitable king the female pharaohs Hatshepsut and Tawosret the sun queens Tiy and Nefertiti the seductive Nefertari and Cleopatra many of egypt s queens have left an indelible mark on their country s history and what of egypt s lesser queens the numerous wives and daughters maintained in pampered seclusion in the harem palaces these women are generally forgotten their graves lost in the desert sands but the anonymous ladies occasionally stepped from the security of the harem to influence the royal succession and their stories too are told

## **Chronicle of the Queens of Egypt 2006-10-17**

the classic account of egypt s most famous queenâ now fully revised for over a decade Nefertiti wife of the heretic king Akhenaten was the most influential woman in the bronze age world a beautiful queen blessed by the sun god adored by her family and worshipped by her people her image and her name were celebrated throughout egypt and her future seemed golden suddenly Nefertiti disappeared from the royal family vanishing so completely that it was as if she had never been no record survives to detail her death no monument serves to mourn her passing and to this day her end remains an enigmaâ her body has never been found fully revising her classic biography of egypt s sun queen historian Joyce Tyldesley draws on a wealth of scholarly and archeological evidence to investigate

the truth behind the life times and mysterious disappearance of the legendary nefertiti

## **Nefertiti 2005-04-28**

## **Hatshepsut 2018-08-31**

explores the lives of six remarkable female pharaohs from hatshepsut to cleopatra women who ruled with real power what was so special about ancient egypt that provided women this kind of access to the highest political office what was it about these women that allowed them to transcend patriarchal obstacles what did egypt gain from its liberal reliance on female leadership and could today s world learn from its example provided by publisher

## When Women Ruled the World 2020

at the close of ancient egypt s ambitious eighteenth dynasty power art and learning have reached a zenith due to the nation s yearly flooding steady harvests and plentiful gold egypt is the richest nation in the world ruling over this paradise is pharaoh considered a god on earth by his people but on the death of amunhotep iii his son known to history as the heretic king akhenaten enters into a war with the powerful priesthood of amun and claims ownership of the souls of his people he raises a new god for egypt to worship and banishes the ancient gods from the land the consequences of this will lead to the downfall of the ruling dynasty the very family that had made egypt into a mighty empire the delicate and beautiful third daughter of akhenaten and nefertiti princess ankhesenamun knows nothing but power and luxury her mother nefertiti rules akhenaten s heart and other wives as her father rules the land but when nefertiti fails to give akhenaten the son he desires the princess s pampered world begins to fall apart and at the height of akhenaten s triumph over his people an unexpected tragedy strikes the land giving those oppressed a new reason to fight soon the chaos outside the king s house explodes within tearing the royal family apart watching from the shadows is prince tutankhamun his mother was a princess but she died after his birth and he has grown up on the edge of the king s favor because of nefertiti s strong influence the crown which he feels is his by right is expected to go nefertiti s oldest daughter but akhenaten refuses to name an heir attended as the son of a god but isolated from his family tutankhamun spends his days surpassing his tutors gaining his omnipotent father s attention only by extreme achievement or reckless courage though dominated by her oldest sister tutankhamun s born rival young princess ankhesenamun is drawn to the proud and mysterious black eyed boy as events in her home become intolerable and terrifying ankhesenamun finds that the prince her mother and sister fear is the only one that she can trust broken by the burden of a war with his own people pharaoh begins to lose control paranoid and accustomed to utter indulgence he wields his absolute authority with ever more brutal hands he betrays his young daughter in the cruelest of ways before his sudden death leaves the royal family without a king and beset on all sides by their own countrymen ankhesenamun wants nothing to do with the ensuing power struggle between the great royal wife nefertiti and the first daughter and her lover but as a beautiful young king s widow her hands are bound to the throne horrified at the prospect of another unwanted marriage ankhesenamun turns to prince tutankhamun and they flee the palace but tutankhamun is destined to be pharaoh as he has always known murder makes him a king at age ten and he persuades a fragile

ankhesenamun to be his great royal wife though akhenaten has destroyed his family's hold on power tutankhamun fearlessly takes up the crown he pledges to make everything right again not only for his enraged and traumatized people but for the princess he loves with a fierce possessive loyalty encouraged by his counsellors tutankhamun breaks his father's laws and calls back the ancient gods to egypt in return the gods bless the young king with the love of his people and a tranquil home ankhesenamun regains her strength and sets out to command her palace and learn the ancient rites of egypt's goddesses though challenged by a mysterious and painful affliction that threatens to cripple him in only a few years pharaoh is determined to become a warrior and resurrect the mighty imperial army of his ancestors as the pair grows to maturity they break free of the horrors of childhood and discover a love so powerful it's blinding it seems that all is well in egypt but as pharaoh and his wife enchant each other new enemies rear up against them corrupt courtiers and a powerful empire growing out of the north as well as snake in the very heart of the king's home all threaten the young king and queen of egypt and tutankhamun must become increasingly ruthless to battle them all when a horrible act of terror and defiance against the king brings tutankhamun face to face with his father's ghost he loses faith in himself and must decide what sort of man he will be ankhesenamun adores her young husband and she is determined to be nothing like her mother but though blessed with a child she has fatal complications with her next pregnancy she battles with love and fear daily and after another tragic loss she questions if she wants more children her marriage is strained by tutankhamun's growing comfort with the darker sides of power and she is determined to keep him from losing his soul like akhenaten did she wants nothing more than the life she has with tutankhamun without any interruption from the ghosts of the past just when ankhesenamun and her husband learn to accept fate and enjoy their blessings tutankhamun dies a tragic death while fighting egypt's fiercest enemies the pampered and delicate young queen is left alone and as she brings her husband to his final rest she discovers the terrifying truth that her husband's death might have been set up by enemies in her very home caught in a viper's nest of greed and betrayal ankhesenamun must plunge into a world of intrigue and corruption if she means to avenge her family and save her people from a usurper hanging her own life in the balance she must play a subtle and deadly game of power in order to destroy a killer

## **The Last Heiress 2010-09**

cleopatra vii was the famous ruler of egypt who managed to capture the

minds and hearts of both julius caesar and marc anthony countless tales have been recounted of her beauty wisdom wiles and feminine charm e artnow presents to you yet another famous story about the famous pharaoh queen by claude ferval claude ferval was the pen name of baroness marguerite aimeryharty de oierrebouurg nee thomas galline she was a novelist biographer and poet she devoted her literary career to writing biographies which generally were about great female figures x000d excerpt x000d it was about seven o clock on the crowded docks of alexandria the sailors were unloading the last bales of merchandise swiftly like belated birds the fishing boats dropped anchor at the old wharves in eunostus harbour it was almost dark when the last vessel slipped in stealthily a man stepped down broad shouldered covered from head to foot with a dark cloak his traveller s cap pulled down to his ears with the utmost care he helped a woman to land a woman so young so light footed that she seemed almost a child
