an invitation from gay hendricksi am thrilled and delighted to offer to you the new edition of learning to love yourself revisiting and rewriting the book has been a pleasure from beginning to end with its new elements the book comes alive in a whole new way looking back over more than three decades to the moment of its conception i can now see how writing this book changed my life in every way i first wrote it as an act of love to share an experience that feels as if it s still transforming me in my very cells it was my hope that telling about the experience could inspire the same profound life changes in others the many thousands of letters emails and spoken appreciations i ve received since then let me know that my hope came true the experience described in the book revealed the living mystery of love to me allowing me to feel its sweet power for the first time because i suddenly knew what real love felt like i was able to break free of my pattern of painful relationships with women ultimately it helped me find my way to kathlyn the love of my life and my wife for the past quarter century the new edition is ideal for giving to loved ones including yourself who are on the journey to forgiving accepting and loving themselves it tells you how i came to an acceptance and unconditional love of even the most difficult to love parts of myself my fondest wish is that you use it for exactly the same purpose with exactly the same result

we will always have opportunities to get offended but if we do things god s way we can choose to save ourselves a lot of misery and hardship this doesn t mean we allow people to abuse us no there is a time for confronting people and dealing with situations however the bible commands us to love our enemies and forgive those who have wronged us even when it feels impossible everything the lord asks us to do in the bible is ultimately for our good in fact when we choose to love our enemies and forgive those who have hurt us we are actually helping ourselves more than anyone else because whatever the lord commands us to do he is going to give us the power of the holy spirit to accomplish it and that includes loving and being good to difficult people god s love flowing through us is strong enough to melt even the hardest hearts so use kindness as a weapon to overcome the meanness in people
