Believe in Yourself 2021-09-04 dr joseph murphy 20th may 1898 16th dec 1981 the author of the book grew up in a devout religious home his father denis murphy was a deacon and professor at the national school of ireland the major focus of dr murphy was to explain things lucidly so that it would explain how it affects any individual his basic theme was that the solution to all the problems lies within oneself we are not affected by the outside circumstances rather by our own mindset he wrote more than 30 books his best seller is the power of your unconscious mind the book believe in yourself narrates how to fulfill your dreams through best utilization of your capabilities and talent thus achieve a big success in your life everyone has inborn talent and capability so it is the matter of attitude one has to stimulate her conscious mind the book focuses on making your dreams come true and how to use subconscious mind in business in the author s words it is just as easy to imagine yourself successful as is to imagine failures but far more interesting the master architect within you will project on the screen of visibility what you impress on your mind here mental attitude means your mental reaction to people circumstances and objects in space the circumstances can affect you only as you permit them your capacity to imagine causes you and enables you to remove all

barriers of time and space you can reconstruct the past through your inner eye so the most important thing is imagination if you don't develop imagination power then all the hard work or burning midnight lamp is all fullfill in nutshell always believe in yourself this attitude surely brings success in life
