among the billions of people on this planet there is something you can be sure of there is only one you and

while you may share experiences with others your life and your story are unique your life may not be exactly as you thought it would be at this stage of your life but it is important author josephine formosas celebrate your life now a journal of your life experiences helps you discover the uniqueness that is you although you will read about others lives you will come away knowing your experiences create first hand knowledge that cannot be equalled by anyone else chapter ending questions help you discover that knowledge and share it with others you may think your life is ordinary and what you have learnt from life is not worth writing but if your life has been worth living it is worth writing about celebrate your life now a journal of your life experiences shows you how why quote from the wisdom of others when you can speak from your own life experiences

House Journal 1915

few features of contemporary american culture are as widely lamented as the public s obsession with celebrity and the trivializing effect this obsession has on what appears as news nevertheless america s culture of celebrity remains misunderstood particularly when critics discuss its historical roots in this pathbreaking book charles ponce de leon provides a new interpretation of the emergence of celebrity focusing on the development of human interest journalism about prominent public figures he illuminates the ways in which new forms of press coverage gradually undermined the belief that famous people were great instead encouraging the public to regard them as complex interesting even flawed individuals and offering readers seemingly intimate glimpses of the real selves that were presumed to lie behind the calculated self promotional fronts that celebrities displayed in public but human interest journalism about celebrities did more than simply offer celebrities a new means of gaining publicity or provide readers with the inside dope says ponce de leon in chapters devoted to celebrities from the realms of business politics entertainment and sports he shows how authors of celebrity journalism used their writings to weigh in on subjects as wide ranging as social class race relations gender roles democracy political reform self expression material success competition and the work ethic offering the public a

new lens through which to view these issues

Journal of the House of Representatives 1916

vows veils and masks offers a bold and timely approach to the plays of eugene o neill with its attention to the engagements weddings and marriages so crucial to the tragic action in o neill s works specifically the book examines the culturally sanctioned traditions and gender roles that underscored marital life in the early twentieth century and that still haunt and define love and partnership in the modern age weaving in artifacts like advice columns advertisements theatrical reviews and even the lived experiences of the actors who brought o neill s wife characters to life both wynstra points to new ways of seeing and empathizing with those who are betrothed and new possibilities for reading marriage in literary and dramatic works she suggests that the various ways women were and still are expected to divert from their true ambitions desires and selves in the service of appropriate wifely behavior is a detrimental performance and one at the crux of o neill s marital tragedies this book invites more inclusive and nuanced ways of thinking about the choices married characters must make and the roles they play both on and off the stage
