for tobin and delia everything was always equal a bargain a trade a deal to be struck a kiss for a kiss your shirt for mine break my heart i ll break yours their disastrous split was no different tobin s spent the last year pretending delia never existed and delia s been in d c pretending to be anything but the country girl that she is when tragedy brings her back to town tobin and delia realize that time apart hasn t healed either one of them but staying away from each other is harder than they imagined especially in small town louisiana and old feelings are quickly brought back to the surface in the mess they ve created is there anything to be salvaged of a love that they both thought would be forever

My Heart for Yours

2012

this collection of essays by musicologists and art historians explores the reciprocal influences between music and painting during the nineteenth century a critical period of gestation when instrumental music was identified as the paradigmatic expressive art and theoretically aligned with painting in the formulation ut pictura musica as with music so with painting under music s influence painting approached the threshold of abstraction concurrently many composers cultivated pictorial effects in their music individual essays address such themes as visualization in music the literary vs pictorial basis of the symphonic poem musical pictorialism in painting and lithography and the influence of wagner on the visual arts in these and other ways both composers and painters actively participated in interarts discourses in seeking to redefine the very identity and aims of their art also includes 17 musical examples
