## He: Shorter Writings of Franz Kafka (riverrun editions)

2020-09-03

being asked to write about kafka is like being asked to describe the great wall of china by someone who s standing just next to it the only honest thing to do is point joshua cohen from his preface to he shorter writings of franz kafka this is a kafka emergency kit a congregation of the brief the minor works that are actually major joshua cohen has produced a frame that refuses distinctions between what is a story a letter a workplace memo and a diary entry also including popular favourites like the bucket rider the penal colony and the burrow here we see kafka s preoccupations in writing about animals messiah variations food and exercise each in his signature style cohen s selection emphasises the stately structure of utterly coherent logic within an utterly incoherent illogical world showing how kafka harnessed the humblest grammar to metamorphic power until the predominant effect ceases to be the presence of an unreliable narrator but the absence of the universe s only reliable narrator who is god

franz kafka the office writings brings together for the first time in english kafka s most interesting professional writings composed during his years as a high ranking lawyer with the largest workmen s accident insurance institute in the czech lands of the austro hungarian empire franz kafka 1883 1924 is commonly recognized as the greatest german prose writer of the twentieth century it is less well known that he had an established legal career kafka s briefs reveal him to be a canny bureaucrat sharp litigator and innovative thinker on the social political and legal issues of his time his official preoccupations inspired many of the themes and strategies of the novels and stories he wrote at night these documents include articles on workmen s compensation and workplace safety appeals for the founding of a psychiatric hospital for shell shocked veterans and letters arguing relentlessly for a salary adequate to his merit in adjudicating disputes promoting legislative programs and investigating workplace sites kafka s writings teem with details about the bureaucracy and technology of his day such as spa elevators in marienbad the challenge of the automobile and the perils of excavating in quarries while drunk beautifully translated with valuable commentary by two of the world s leading kafka scholars and one of america s most eminent civil rights lawyers the documents cast rich light on the man and the writer and offer new insights to lovers of kafka s novels and stories

## *The Trial*

2010-11-05

franz kafka was one of the most influential novelists of the 20th century whose works came to be regarded after his death as one of the major achievements of world literature the trial german der process is a novel by franz kafka first published in 1925 one of kafka s best known works it tells the story of a man arrested and prosecuted by a remote inaccessible authority with the nature of his crime never revealed either to him or the reader like kafka s other novels the trial was never completed although it does include a chapter which brings the story to an end after his death in 1924 kafka s friend and literary executor max brod edited the text for publication on his thirtieth birthday a senior bank clerk josef k who lives in lodgings is unexpectedly arrested by two unidentified agents for an unspecified crime the agents do not name the authority for which they are acting he is not taken away however but left at home to await instructions from the committee of affairs k goes to visit the magistrate but instead is forced to have a meeting with an attendant s wife looking at the magistrate s books he discovers a cache of pornography k returns home to find fräulein montag a lodger from another room moving in with fräulein bürstner he suspects that this is to prevent him from pursuing his affair with the latter woman so begins the trial a much acclaimed work of philosophical fiction by franz kafka

## ***The Essential Kafka Boxed Set***

2011-08

brings together for the first time in english kafka s most interesting professional writings composed during his years as a high ranking lawyer with the largest workmen s accident insurance institute in the czech lands of the austro hungarian empire publisher marketing

## ***Franz Kafka***

2015-09-08

one of the seminal works of fiction of the 20th century the metamorphosis finds traveling salesman gregor samsa inexplicably transformed into a large monstrous insect like creature

## **The Metamorphosis (Legend Classics)**

2017-06-01

written by franz kafka and often considered to be his magnum opus the metamorphosis tells the story of one young traveling salesman gregor samsa who inexplicably wakes up as a giant insect despite the novella s short length franz kafka manages to provide a deep insight into the human condition ironically through the eyes of a cockroach though the metamorphosis can seem depressing at times the overall message is quite hopeful the novel keeps its reader enthralled with a good balance of absurdist and realist elements the metamorphosis is so much more than a story about a man turning into a beetle it is about the reaction of gregor samsa s family to the change plus a clever way of writing about how a family would deal with the main breadwinner in the house becoming unable to work and on a wider scope the way a family reacts to someone who is disabled or terminally ill the descriptive writing in the metamorphosis is excellent and though it is quite a sad tale it is also very funny in parts enough to make readers laugh out loud though written nearly 100 years ago the metamorphosis is amazingly relevant to today s world and remains a great read

## ***Franz Kafka: Metamorphosis***

2010-05-31

thirty one tales depicting the humorous if near tragic conditions of life in the deep south during the fifties

## The Complete Stories

1971

the trial original german title der process later der prozess der proceß and der prozeß is a novel written by franz kafka in 1914 and 1915 but not published until 1925 one of kafka s best known works it tells the story of a man arrested and prosecuted by a remote inaccessible authority with the nature of his crime revealed neither to him nor the reader like kafka s other novels the trial was never completed although it does include a chapter which brings the story to an end because of this there are some inconsistencies and discontinuities in narration within the novel such as disparities in timing after kafka s death in 1924 his friend and literary executor max brod edited the text for publication by verlag die schmiede the original manuscript is held at the museum of modern literature marbach am neckar germany in 1999 the book was listed in le monde s 100 books of the century and as no 2 of the best german novels of the twentieth century

## The Trial

## The Trial - Franz Kafka

2021-06-15

franz kafka has given his name to a world of nightmare but in kafka s world it is never completely clear just what the nightmare is kafka deals in dark and quirkily humorous terms with the insoluble dilemmas of a world which offers no reassurance and no reliable guidance to resolving our existential and emotional uncertainties and anxieties

## *The Essential Kafka*

2014-09-07

enriched classics offer readers accessible editions of great works of literature enhanced by helpful notes and commentary each book includes educational tools alongside the text enabling students and readers alike to gain a deeper and more developed understanding of the writer and their work when gregor samsa woke up one morning from unsettling dreams he found himself changed in his bed into a monstrous vermin so begins the metamorphosis one of the most recognizable opening lines in literature the story of gregor samsa a young man who after transforming overnight into a giant beetle like insect becomes an object of disgrace to his family an outsider in his own home and a quintessentially alienated man one of the most widely read and influential works of twentieth century fiction the metamorphosis is a harrowing yet absurdly comic meditation on inadequacy guilt and isolation a work in which in the words of vladimir nabokov contrast and unity style and matter manner and plot are most perfectly integrated enriched classics enhance your engagement by introducing and explaining the historical and cultural significance of the work the author s personal history and what impact this book had on subsequent scholarship each book includes discussion questions that help clarify and reinforce major themes and reading recommendations for further research read with confidence

## The Metamorphosis

2014-07-21

arranged chronologically this volume brings together all the major short stories of kafka which have been published posthumously in addition to transformation and the judgement it contains the original first chapters of kafka s novel amerika the stoker

## Metamorphosis and Other Stories

2000

this edition contains the english translation and the original text in german the trial original german title der process later der prozess der proceß and der prozeß is a novel written by franz kafka in 1914 and 1915 but not published until 1925 one of kafka s best known works it tells the story of a man arrested and prosecuted by a remote inaccessible authority with the nature of his crime revealed neither to him nor the reader like kafka s other novels the trial was never completed although it does include a chapter which brings the story to an end because of this there are some inconsistencies and discontinuities in narration within the novel such as disparities in timing after kafka s death in 1924 his friend and literary executor max brod edited the text for publication by verlag die schmiede the original manuscript is held at the museum of modern literature marbach am neckar germany in 1999 the book was listed in le monde s 100 books of the century and as no 2 of the best german novels of the twentieth century der process auch der prozeß oder der proceß titel der erstausgabe der prozess ist neben der verschollene auch unter dem titel amerika bekannt und das schloss einer von drei unvollendeten und postum erschienenen romanen von franz kafka

## The Trial / Der Proceß

2017-06-23

as gregor samsa awoke one morning from uneasy dreams he found himself transformed in his bed into a gigantic insect he was laying on his hard as it were armor plated back and when he lifted his head a little he could see his domelike brown belly divided into stiff arched segments on top of which the bed quilt could hardly keep in position and was about to slide off completely his numerous legs which were pitifully thin compared to the rest of his bulk waved helplessly before his eyes with it s startling bizarre yet surprisingly funny first opening kafka begins his masterpiece the metamorphosis it is the story of a young man who transformed overnight into a giant beetle like insect becomes an object of disgrace to his family an outsider in his own home a quintessentially alienated man a harrowing though absurdly comic meditation on human feelings of inadequacy guilt and isolation the metamorphosis has taken its place as one of the most widely read and influential works of twentieth century fiction as w h auden wrote kafka is important to us because his predicament is the predicament of modern man

## The Metamorphosis - Franz Kafka

2021-06-10

a highly entertaining story of literary friendship epic legal battles and cultural politics centred on one of the most enigmatic writers of the 20th century financial times when franz kafka died in 1924 his friend max brod could not bring himself to fulfil the writer s last instruction to burn his remaining manuscripts instead brod took them with him to palestine in 1939 and devoted the rest of his life to editing and canonizing kafka s work by betraying his last wish brod twice rescued his legacy first from physical destruction and then from obscurity in kafka s last trial benjamin balint offers a gripping account of the contest for ownership that followed ending in israeli courts with a controversial trial brimming with legal ethical and political dilemmas that would determine the fate of kafka s manuscripts this is at once a biographical portrait of a literary genius and the story of two countries whose national obsessions with overcoming the traumas of the past came to a head in a hotly contested trial for the right to claim the literary legacy of one of our modern masters

## Kafka's Last Trial

2018-09-20

a windfall for every reader a trove of marvelous impossible to find kafka stories in a masterful new translation by michael hofmann selected by the preeminent kafka biographer and scholar reiner stach and newly translated by the peerless michael hofmann the seventy four pieces gathered here have been lost to sight for decades and two of them have never been translated into english before some stories are several pages long some run about a page a handful are only a few lines long all are marvels even the most fragmentary texts are revelations these pieces were drawn from two large volumes of the s fischer verlag edition nachgelassene schriften und fragmente totaling some 1100 pages franz kafka is the master of the literary fragment as stach comments in his afterword in no other european author does the proportion of completed and published works loom quite so small in the overall mass of his papers which consist largely of broken off beginnings in fact as hofmann recently added finished seems to me in the context of kafka a dubious or ironic condition anyway the more finished the less finished the less finished the more finished gregor samsa s sister grete getting up to stretch in the streetcar what kind of an ending is that there s perhaps some distinction to be made between finished and ended everything continues to vibrate or unsettle anyway reiner stach points out that none of the three novels were completed some pieces break off or are concluded or stop it doesn t matter after two hundred pages some after two lines the gusto the friendliness the wit with which kafka launches himself into these things is astonishing

## *The Lost Writings*

2020-10-06

betrachtung author franz kafka s böses getan niemand aber will mir helfen lauter niemand aber so ist es doch nicht nur daß mir niemand hilft sonst wäre lauter niemand hübsch ich würde ganz gern warum denn nicht einen ausflug mit einer gesellschaft von lauter niemand machen natürlich ins gebirge wohin denn sonst wie sich diese niemand aneinander drängen diese vielen quer gestreckten und eingehängten arme diese vielen füße durch winzige schritte getrennt versteht sich daß alle in frack sind wir gehen so lala der wind fährt durch die lücken die wir und unsere gliedmaßen offen lassen die halse werden im gebirge frei es ist ein wunder daß wir nicht singen

## *Betrachtung*

2018-08-26

this volume contains the great works of fiction as well as the complete diaries and thus gives the reader considerable insight into the mind of this strange and powerful man

## Metamorphosis: A 1915 Novella Written by Franz Kafka and One of Kafka's Best-known Works

2020-07-23

kafka was an attractive slender and elegant man something of a dandy who captivated his friends and knew how to charm women he seemed to have had four important love affairs felice julie milena and dora all of them lived far away in berlin or vienna and perhaps that s one of the reasons that he loved them he chose long distance relationships so he could have the pleasure of writing to them without the burden of having to live with them he was engaged to all four women and four times he avoided marriage at the end of each love affair he threw himself into his writing and produced some of his most famous novels amerika the trial and the castle in this charming book author jacqueline raoul duval follows the paper trail of kafka s ardor she uses his voice in her own writing and a third of the book is pulled from kafka s journals it is the perfect introduction to this giant of world literature and captures his life and romances in a style worthy of his own

## ***The Trial ; America ; The Castle ; Metamorphosis ; In the Penal Settlement ; The Great Wall of China ; Investigations of a Dog ; Letter to His Father ; The Diaries, 1910-23***

1976

this volume contains the major short works left by kafka including blumfeld an elderly bachelor the great wall of china and investigations of a dog together with the collected aphorisms and his aphorisms from the 1920 diary

### **Kafka in Love**

2012-11-13

the story of the trial's publication is almost as fascinating as the novel itself kafka intended his parable of alienation in a mysterious bureaucracy to be burned along with the rest of his diaries and manuscripts after his death in 1924 yet his friend max brod pressed forward to prepare the trial and the rest of his papers for publication

### **The Great Wall of China and Other Short Works**

1991

accessible essays place kafka in historical political and cultural context providing new and often unexpected perspectives on his works

### **The Trial (□□)**

2011-04-15

div franz kafka was the poet of his own disorder throughout his life he struggled with a pervasive sense of shame and guilt that left traces in his daily existence in his many letters in his extensive diaries and especially in his fiction this stimulating book investigates some of the sources of kafka's personal anguish and its complex reflections in his imaginary world in his query saul friedländer probes major aspects of kafka's life family judaism love and sex writing illness and despair that until now have been skewed by posthumous censorship contrary to kafka's dying request that all his papers be burned max brod kafka's closest friend and literary executor edited and published the author's novels and other works soon after his death in 1924 friedländer shows that when reinserted in kafka's letters and diaries deleted segments lift the mask of a "sainthood" frequently attached to the writer and thus restore previously hidden aspects of his individuality div

### **Franz Kafka in Context**

2018

an erudite analysis of the critical and subversive dimensions of kafka's writings

## Franz Kafka

2013-04-16

though best known for his editing and posthumous publication of his friend franz kafka's writing max brod was a major novelist in his own right tycho brahe's path to god widely considered his finest work and viewed by many as a small masterpiece concerns the relationship between the great danish astronomer and the younger intellectually superior johannes kepler brod's representation of this complicated relation grew out of his acquaintance with the young albert einstein reproduces his struggles with the expressionist poet franz werfel and strangely anticipates the most famous act brod would ever perform publishing kafka's writings without his permission as brahe attempts to create a diplomatic compromise between the old ptolemaic system of planetary motion and its modern copernican revision kepler discards the principle of compromise root and branch their conflict thus becomes an emblem of the struggle between a weakened tradition and a self-conscious modernity the novel manages to convey the intimate emotional reality of a seventeenth century political conflict as well as the psychological political and artistic turmoil of brod's own time this revival of the richly allusive and deeply resonant tycho brahe's path to god is a true literary event

## Franz Kafka

2016-08-03

with an empathy for the absurd and an intimate understanding of human frustration franz kafka has produced a body of work that offers an intriguing mix of paradox and parable in this informative volume harold bloom and noted literary critics guide read

## Tycho Brahe's Path to God

2007-10-03

kafka gothic and fairytale is an original comparative study of the novels and some of the related shorter punishment fantasies in terms of their relationship to the gothic and fairytale conventions it is an absorbing subject and one which while keeping to the basic facts of his life mind set and literary method shows kafka's work in a genuinely new light the contradiction between his persona with its love of fairytale and his shadow with its affinity with gothic is reflected in his work which is both gothic and other than gothic both fairytale like and the every denial of fairytale important subtexts of the book are the close connexion between gothic and fairytale and between both of these and the dream german text is quoted in translation unless the emphasis is on the meaning of individual words or phrases in which case the words in question are quoted and their english meanings discussed this means that readers without german can for the first time begin to understand the underlying ambiguity of kafka's major fictions the book is addressed to all who are interested in the meaning of his work and its place in literary history but also to the many readers in the english and german speaking worlds who share the author's enthusiasm for gothic and fairytale

## Franz Kafka

2009

published together for the first time are selections from all kafka's writings the metamorphosis josephine the singer plus his short stories parables and his personal diaries and letters

## Kafka, Gothic and Fairytale

2021-11-08

few twentieth century writers remain as potent as franz kafka one of the rare figures to maintain both a major presence in the academy and on the shelves of general readers yet remarkably no work has yet fully focused on his politics and anti authoritarian sensibilities the anatomist of power franz kafka and the critique of authority is a fascinating new look at his widely known novels and stories including the trial metamorphosis in the penal colony and amerika portraying him as a powerful critic of authority bureaucracy capitalism law patriarchy and prisons making deft use of kafka s diaries his friends memoirs and his original sketches costas despiniadis addresses his active participation in prague s anarchist circles his wide interest in anarchist authors his skepticism about the russian revolution and his ambivalent relationship with utopian zionism the portrait of kafka that emerges is striking and fresh rife with insights and a refusal to accept the structures of power that dominated his society

## **The Basic Kafka**

1979

telling the story of kafka s final years as never before the third volume in the acclaimed definitive biography this volume of reiner stach s acclaimed and definitive biography of franz kafka tells the story of the final years of the writer s life from 1916 to 1924 a period during which the world kafka had known came to an end stach s riveting narrative which reflects the latest findings about kafka s life and works draws readers in with nearly cinematic precision zooming in for extreme close ups of kafka s personal life then pulling back for panoramic shots of a wider world blighted by world war i disease and inflation in these years kafka was spared military service at the front yet his work as a civil servant brought him into chilling proximity with its grim realities he was witness to unspeakable misery lost the financial security he had been counting on to lead the life of a writer and remained captive for years in his hometown of prague the outbreak of tuberculosis and the collapse of the austro hungarian empire constituted a double shock for kafka and made him agonizingly aware of his increasing rootlessness he began to pose broader existential questions and his writing grew terser and more reflective from the parable like country doctor stories and a hunger artist to the castle a door seemed to open in the form of a passionate relationship with the czech journalist milena jesenská but the romance was unfulfilled and kafka an incurably ill german jew with a czech passport continued to suffer however his predicament only sharpened his perceptiveness and the final period of his life became the years of insight

## **Anatomist of Power**

2019-10-15

welcome to the masters of prose book series a selection of the best works by noteworthy authors literary critic august nemo selects the most important writings of each author a selection based on the author s novels short stories letters essays and biographical texts thus providing the reader with an overview of the author s life and work this edition is dedicated to the writer franz kafka a german speaking bohemian novelist and short story writer widely regarded as one of the major figures of 20th century literature his work fuses elements of realism and the fantastic it typically features isolated protagonists facing bizarre or surrealistic predicaments and incomprehensible socio bureaucratic powers the term kafkaesque has entered the english language to describe situations like those found in his writing this book contains the following writings novels the metamorphosis the trial short stories a hunger artist in the penal colony the judgment before the law a country doctor a report to an academy first sorrow children on a country road unmasking a confidence trickster the sudden walk resolutions unhappiness rejection the street window clothes passers by if you appreciate good literature be sure to check out the other tacet books titles

## **Kafka's Selected Stories**

2007

new translation of the metamorphosis by franz kafka poor gregor samsa this guy wakes up one morning to discover that he s become a monstrous vermin the first pages of the metamorphosis where gregor tries to communicate through the bedroom door with his family who think he s merely being lazy is vintage screwball comedy indeed scholars and readers alike have delighted in kafka s gallows humor and matter of fact handling of the absurd and the terrifying but it is one of the most enigmatic stories of all time with an opening sentence that s unparalleled in all of literature

## **The Metamorphosis, in the Penal Colony and Other Stori**

2010-06-15

franz kafka is one of the most intriguing writers of the 20th century in this text the author provides an up to date introduction to kafka beginning with an examination of his life and then discussing some of the major themes that emerge in kafka s work

## **Kafka-- for Our Time**

2011

franz kafka is by far the prague author most widely read and admired internationally however his reception in czechoslovakia launched by the liblice conference in 1963 has been conflicted while rescuing kafka from years of censorship and neglect czech critics of the 1960s overwrote his german and jewish literary and cultural contexts in order to focus on his czech cultural connections seeking to rediscover kafka s multiple backgrounds in franz kafka and his prague contexts marek nekula focuses on kafka s jewish social and literary networks in prague his german and czech bilingualism and his knowledge of yiddish and hebrew kafka s bilingualism is discussed in the context of contemporary essentialist views of a writer s organic language and identity nekula also pays particular attention to kafka s education examining his studies of czech language and literature as well as its role in his intellectual life the book concludes by asking how kafka read his urban environment looking at the readings of prague encoded in his fictional and nonfictional texts nekula s work has had a major impact on our understanding of kafka s relation to the complex social cultural and linguistic environment of early twentieth century prague while little of this work has been available in english until now the present volume translates many of his most important studies and includes revisions and expansions appearing now for the first time nekula challenges stubborn clichés and opens important new perspectives readers interested in questions relating to kafka and prague will find this an essential and richly rewarding book peter zusi university college london marek nekula s important book originally situates franz kafka within his pragueand czech contexts it critically examines numerous distortions that accompanied the reception of kafka starting with the central issue of kafka s languages kafka s czech prague german and the ideological discourse surrounding the author in communist czechoslovakia

astute and carefully argued franz kafka and his prague contexts offers new perspectives on the writings of the prague author this book will benefit readers in german and slavic studies in comparative literature and history of ideas veronika tuckerová harvard university marek nekula připravil soubor studií o tom jak praha formovala kafkovu osobnost a dílo kniha začíná kritickou diskuzí o problematice přijímání franze kafky v Československu které začalo na konferenci v liblicích v roce 1963 zde byl kafka zachráněn před cenzurou za cenu přepsání jeho německého a židovského literárního a kulturního kontextu s cílem vyzdvihnout český vliv na jeho tvorbu studie se zaměřují na židovské sociální a literární prostředí v praze kafkovu německo-českou dvojjazyčnost a jeho znalost jidiš a hebrejštiny kfkův bilingvismus je probírán v kontextu současných esencialistických názorů na spisovatelův jazyk a identitu nekula také věnuje zvláštní pozornost kafkovu vzdělání zkoumá jeho studia českého jazyka a literatury jakož i jeho českou četbu a její roli v jeho intelektuálním životě knihu uzavírá otázkou jak kafka četl své městské prostředí

## **The Metamorphosis**

2020-01-14

in this his most famous story kafka explores the notions of alienation and human loneliness through extraordinary narrative technique and depth of imagination gregor samsa awakens one morning to find himself transformed into a repulsive bug trapped inside this hideous form his mind remains unchanged until he sees the shocked reaction of those around him he begins to question the basis of human love and indeed the entire purpose of his existence but this it seems is only the beginning of his ordeal franz kafka was a german language novelist one of the most influential of the 20th century whose works came to be regarded after his death as one of the major achievements of world literature the term kafkaesque has entered the english language his body of work the novels the trial the castle and amerika short stories including the metamorphosis and in the penal colony is now considered among the most original in western literature most of kafka's output much of it unfinished at the time of his death was published posthumously
