special deluxe by neil young the second installment of the iconic musician s memoirs quirky and wonderfully candid neil young s new book of reminiscences is as compelling as his first book he returns with more unforgettable stories about his six decades in the music business but this is not your average rock biography he centres this new work on one of his life s passions cars using the framework of all the cars he s ever owned to construct a narrative of his life and career exploring and demonstrating how memories are attached to objects young also expresses regret for the environmental impact of his past cars and now passionately advocates the use of clean energy special deluxe is a mix of memoir and environmental politics by one of the most gifted and influential artists of our time the next installment of neil young s memoir after waging heavy peace special deluxe is essential reading for his fans and will also appeal to readers of life by keith richards and chronicles by bob dylan not your average rock star autobiography young is a natural obsessive and a bit cantankerous which makes an interesting combination richard williams guardian waging heavy peace is as charismatically off the wall as neil young s records janet maslin new york times neil young s music and songwriting span forty years and his 34 studio albums are among the most enduring and popular in modern times born and raised in canada long resident in california he has been uniquely inducted twice into the rock and roll hall of fame he is also well known as a political activist environmentalist and philanthropist co founding farm aid and the bridge school for educationally impaired children

## ***Waging Heavy Peace 2012***

neil young is a singular figure in the history of rock and pop culture generally in the last four decades reflective insightful and disarmingly honest in waging heavy peace he writes about his life and career from his youth in canada to his first band s travels across the us seeking fame and girls through buffalo springfield and crosby stills nash to his massively successful solo career and his re emergence as the patron saint of grunge on to his role today as one of the last uncompromised and uncompromising survivors of rock n roll this is neil s story told in his own words in the book young presents a kaleidoscopic view of personal life and musical creativity it s a journey that spans the snows of ontario to the lsd laden boulevards of 1966 los angeles to the contemplative paradise of hawaii today i think i will have to use my time wisely and keep my thoughts straight if i am to succeed and deliver the cargo i so carefully have carried thus far to the outer reaches not that it s my only job or task i have others too sacred things that i need to protect from pain and hardship like careless remarks on an open mind neil young from waging heavy peace

## ***Shakey 2013-06-07***

neil young is one of rock and roll s most important influential and enigmatic figures an intensely reticent artist who has granted no writer access to his inner sanctum until now shakey is the whole story of young s incredible life and career from his childhood in canada to the founding of folk rock pioneers buffalo springfield the bleary conglomeration of crazy horse and the monstrous success of crosby stills nash and young to the depths of the tonight s the night depravity and the geffen years and young s unprecedented nineties comeback shakey the title refers to one of young s many aliases is also the compelling human story of a lonely kid for whom music was the only outlet a driven yet tortured figure who controlled his epilepsy via mind over matter an oddly passionate model train mogul who inspired by his own son s struggle with cerebral palsy became a major activist in the quest to help those with the condition this long awaited unprecedented story of a rock n roll legend is uniquely told through the

interwoven voices of mcdonough biographer critic historian obsessive fan and the ever cantankerous but slyly funny young himself

## **Neil Young's Harvest 2003-09-17**

neil young s harvest is one of those strange albums that has achieved lasting success without ever winning the full approval of rock critics or hardcore fans here sam inglis explores the circumstances of the album s creation and asks who got it right the critics or the millions who have bought harvest in the 30 years since its release
