2013-11-25

a guide for beginner s with step by step instructions and an easy to follow approach primefaces beginners guide is a simple and effective guide for beginners wanting to learn and implement primefaces in their jsf based applications some basic jsf and jquery skills are required before you start working through the book

Research in library and information science in india

1989

the salmophasia fishes are included under the order cypriniformes and belong to the family cyprinidae day 1958 most of the salmophasia species are inhabitants of the tropical and subtropical waters man made reservoirs and lakes provide unique habitats for the fishery wealth of karnataka reservoir ecosystems have been recognized for their great potential for fish production at the present level of management the average fish yield of indian reservoirs is only between 10 16 kg ha year jhingran 1991 the small reservoirs have the potential to yield more than 100 200 kg ha siltation in the rivers and reservoirs apart from diminishing the quantum of water flow results in the destruction of breeding grounds of fishes migration of fishes and overall productivity of the reservoir siltation also affects the benthic population and the natural recruitment of fishes in the impounded waters reservoirs like rivers are inevitably being affected by industrialization and urbanisation

Colonial Dominance and Local Resistance in South India

2016

this book includes the original peer reviewed research from the 2nd international conference on emerging trends in electrical communication and information technologies icecit 2015 held in december 2015 at srinivasa ramanujan institute of technology ananthapuramu andhra pradesh india it covers the latest research trends or developments in areas of electrical engineering electronic and communication engineering and computer science and information

REPRODUCTIVE BIOLOGY OF CYPRINID FISH SALMOPHASIA UNTRAHI (DAY, 1869) FROM BHADRA RESERVOIR, KARNATAKA

2021-05-04

the book focuses on the integration of intelligent communication systems control systems and devices related to all aspects of engineering and sciences it includes high quality research papers from the 3rd international conference iciccd 2018 organized by the department of electronics instrumentation and control engineering at the university of petroleum and energy studies dehradun on 21 22 december 2018

covering a range of recent advances in intelligent communication intelligent control and intelligent devices the book presents original research and findings as well as researchers and industrial practitioners practical development experiences of

Emerging Trends in Electrical, Communications and Information Technologies

2016-11-12

the present review study deals with few biological aspects of few fresh water fishes including catfishes based on published literature as worked out by various researchers of india many small fresh water fishes and catfishes have become threatened and endangered due to contamination over exploitation habitat destruction water abstraction siltation habitat fragmentation fish diseases and introduction of alien species for sustainable utilization proper planning related to conservation and management strategies are of utmost importance the earlier studies on the various aspects of fish bionomics have been reviewed under the following headings viz length weight relationship relative condition factor food and feeding habits gsi his sex ratio and fecundity

India Today

1993

this book is a ground breaking intervention on dalit politics in india challenging received ideas it uses a comparative framework to understand dalit mobilisations for political power social equality and justice the monograph traces the emergence of dalit consciousness and its different strands in north and south india from colonial to contemporary times and interrogates key notions and events these include the debate regarding core themes such as the hindu muslim cleavage in the north and caste in the south the extent to which dalits and other backward castes obc base their anti brahminism on similar ideologies and why dalits in uttar pradesh north india succeeded in gaining power while they did not do so in the region of erstwhile andhra pradesh south india where dalit consciousness is more evolved drawing on archival material fieldwork and case studies this volume puts forward an insightful and incisive analysis it will be of great interest to researchers and scholars of dalit studies and social exclusion indian politics and sociology

Intelligent Communication, Control and Devices

2019-08-28

each year the improvements in communication and transportation the growing awareness that the resources of this earth are finite the realization that the population explosion in any part of the world is a concern of all and the increased economic interdependence of all countries have increased importance of internationalism as opposed to nationalism one of the first segments of our society to ignore political and geographic boundaries was that of medicine particularly in the field of communicable diseases valiant efforts have been made by some individuals at great personal sacrifice and by individual societies or organizations to prevent and cure blindness and to rehabilitate those who have lost their sight only recently however have such efforts been consolidated into a major international force in 1969 the 22nd world health assembly of who adapted a resolution requesting the director general to undertake a study on the information which is at present available on the extent and or causes of preventable and curable blindness in 1972 a working group was convened by the world health organization in geneva to outline an attack on the prevention of blindness at the paris meeting of the international congress of ophthalmology in july of 1974 mr john wilson who for many years had been one of the leaders in the prevention and cure of blindness on an international basis through his organization of the royal commonwealth society for the blind was elected president of the international association for prevention of blindness
