presidency guided answers

the first book in a series about the us federal government the historic election of donald trump in 2016 and barack obama in 2008 generated a great deal of interest in the presidency of the united states especially among young people this book answers many of their questions about the presidency and requires very little prior knowledge of government when i grow up i want to be president is written in a question and answer format and includes activity and did you know boxes the activities are engaging up to date and pedagogically appropriate some require straightforward responses other activities grow out of the text and encourage students to synthesize information found in the text with other knowledge acquired during research in order to construct a creative response key terms are highlighted and defined either in the text or in the glossary there is also an annotated list of internet resources

Guide to the Presidency 2015-05-01 the guide to the presidency is an extensive study of the most important office of the u s political system its two volumes describe the history workings and people involved in this office from washington to clinton the thirty seven chapters of the guide arranged into seven distinct subject areas ranging from the origins of the office to the powers of the presidency to selection and removal cover every aspect of the presidency initially dealing with the constitutional evolution of the presidency and its development the book goes on to expand on the history of the office how the presidency operates alongside the numerous

departments and agents of the federal bureaucracy and how the selection procedure works in ordinary and special circumstances of special interest to the reader will be the illustrated biographies of every president from washington to the present day and the detailed overview of the vice presidents and first ladies of each particular office also included are two special appendices one of which gathers together important addresses and speeches from the declaration of independence to clinton s inaugural address and another which provides results from elections and polls and statistics from each office

A GUIDE TO AUTHENTICATING U.S.PRESIDENTIAL AUTOGRAPHS 2019-06-11 a guide to authenticating autographs of the american presidents paper ink forgeries and signature examples
The Politically Incorrect Guide to the Presidents 2012-02-13 larry schweikart a retired history professor is ready to set the record straight on the american presidents he goes through each of the first 26 presidents from washington to taft and debunks myths lies and fake news made fact by the uninformed discover why george washington favored american isolationism james madison supported states rights what lincoln promised to southerners about fugitive slaves and why nineteenth century presidents were the last to understand the true role of government so what made these presidents so much better than the ones america has now schweikart argues that recent commanders in chief have welcomed crises to advance their own partisan agenda defied

the separation of powers the founders carefully constructed to preserve the republic and given us every reason to doubt they take the country s interests to heart

Special Courts-martial Trial Guide for Presidents and Members 1962 an illustrated reference guide that offers quick answers to readers questions about the american presidency and the individuals who have served it all american presidents are included abundant charts tables illustrations and a detailed index enhance more than 300 alphabetical entries that bring to life the history processes and personalities connected to america s highest office this second edition includes information up through the 1996 election and president clinton s second term
