Peacemaking in the twenty-first century 2016-05-16

this book now available in paperback after selling out in record time in its initial hardback release provides a range of unique insights into the issues surrounding peacebuilding delivered by major international figures with direct experience in this area at the highest level including bill clinton hillary clinton kofi annan and garret fitzgerald based on a series of lectures on the theme of peacekeeping and peacebuilding in the contemporary world each lecture is presented here with an introduction placing it in its proper context within the discourse on peacemaking edited and introduced by nobel laureate john hume this volume makes an invaluable contribution to the study of peace and conflict studies international history international relations and international politics

The Heart of the Amish 2015-04-28

everyone has been hurt everyone experiences conflict great and small everyone has someone to forgive but sometimes we just can't bring ourselves to forgive someone who has wronged us or we don't take the need to forgive seriously not like the amish do forgiving others in order to live at peace is woven into the very fabric of their faith to the amish way of thinking you can't love the stream without knowing the source we must forgive others they believe because god forgave us the heart of the amish invites readers into the world of a people renowned for their ability to forgive through true stories gathered from a variety of amish communities bestselling author suzanne woods fisher illustrates how they are able to release their pain and desire for revenge and live at peace with others her in depth personal research uncovers the astounding yet fundamental way the amish can forgive anyone from the angry customer at the grocery store to the shooter at nickel mines readers will learn how to invite god into their stories apply lessons from the amish to their own circumstances and find the freedom that comes with true forgiveness

The Art of Peace 1995-08

this fully updated third edition of contemporary peacemaking is a state of the art overview of peacemaking in relation to contemporary civil wars it examines best and worst practice in relation to peace processes and peace accords the contributing authors are a mix of leading academics and practitioners with expert knowledge of a wide arrays of cases and techniques the book provides a mix of theory and concept building along with insights into ongoing cases of peace processes and post accord peacebuilding the chapters make clear that peacemaking is a dynamic field with new practices in peacemaking techniques changes to the international peace support architecture and greater awareness of key issues such as gender and development after peace accords the book is mindful of the intersection between top down and bottom up approaches to peace and how formal and institutionalized peace accords need to be lived and enacted by communities on the ground

Contemporary Peacemaking 2022-02-17

the book analyses the two decades of the brutal civil war of northern uganda the author modified lederach s peacebuilding framework to include peacemaking to bring out the argument that women and men make significant contributions to the peace processes and point out women s position as top leadership actors the book uncovers the under emphasised role of women in peacemaking and building from grassroots to national level women were found to have organised themselves and assumed roles as advocates negotiators and mobilisers the actions by women became evident at the stalemated juba peace talks when women presented the peace torch to the peace negotiating teams who on the occasion shook hands for the first time and peace was ushered in their initiatives and non violent actions offer lessons to resolve civil conflicts in africa the book recommends that women should undergo relevant training in times of peace as this would make them more effective in times of need

Women in Peacemaking and Peacebuilding in Northern Uganda 2018-04-23

the field of peacemaking is in turbulent change there are more peacemaking actors than before but fewer success stories and an increasing number of violent conflicts tend to resist negotiated agreements tools and practices created for traditional inter and intra state conflicts have become ineffective and revision of old mediation practices is called for this book examines how the private peacemaking organisations have faced this challenge in the 21st century private peacemakers have become a central part of peace diplomacy and have appeared as flexible actors whose innovative thinking paves the way for reconsidering and reinventing old practices of mediation instead of emphasizing the act of resolution a new emphasis is given to the transformation of violence into a peace system the complexity of conflict and the inadequateness of rational management furthermore this shift has brought civic society actors from the field of reconciliation to the field of peace mediation this new pragmatic approach under development can be called dialogic mediation

The Era of Private Peacemakers 2018-07-07

jesus said blessed are the peacemakers but it often seems like conflict and disagreement are unavoidable serious divisive conflict is everywhere within families in the church and out in the world and it can seem impossible to overcome its negative force in our lives in the peacemaker ken sande presents a comprehensive and practical theology for conflict resolution designed to bring about not only a cease fire but also unity and harmony sande takes readers beyond resolving conflicts to true life changing reconciliation with family members coworkers and fellow believers biblically based the peacemaker is full of godly wisdom and useful suggestions that are easily applied to any relationship needing reconciliation sande s years of experience as an attorney and as president of peacemaker ministries will strengthen readers confidence as they stand in the gap as peacemakers

The Peacemaker 2004-01-01

peacemaking includes a large array of activities from local to global attempts to attain peace it includes consideration of international interstate and intertribal conflict resolution communal personal and interpersonal social justice deterrence of the use of nuclear weapons design of international treaties that prevent war or other forms of international conflict disarmament international organizations that secure the order among nations and even from some points of view war as the 20th century drew to a close we have witnessed peacemakers trying to end ethnic cleansing reinstate justly elected political leaders and reach compromises in the ideological differences that perpetuate age old conflicts we also see peacemaking in our schools homes and workplaces philosophers have long been interested in peacemaking in one form or another and philosophical accounts of peacemaking reflect the variety of perspectives methods and activities developed in pursuing peacemaking in some instances philosophers expand upon the situations activities and methods of the peacemaker in the field the essays in this volume propose some theoretical arguments for various aspects of peacemaking offer nonmilitary alternatives to war and discuss practical examples of peacemaking in daily life the contributors analyze power relations language social groupings and distribution of resources at times they draw insight from social and historical models of conflict and conflict resolution this collection of essays on peacemaking aims to enlighten contemporary social and political discussions and contribute to achieving the ever challenging goal of peace

Peacemaking 2021-10-25

somalia has become a symbol for the unacceptable costs of humanitarian intervention for the type of foreign involvement that should be avoided but the authors of this timely book themselves key participants in the u s led operation there argue that substantial good was done the tide of famine was stayed hundreds of thousands of lives saved and steps toward political reconciliation begun despite the recent renewal of political violence the humanitarian situation remains stable in launching operation restore hope the multinational coalition faced a complex tense and rapidly unfolding situation the authors detail how the carefully limited mission achieved its goals including mutual understanding with the somalis by combining political military and humanitarian actions but the authors also describe how different u s and un concepts of the mission and subsequent changes in the mission s scope led almost inevitably to confrontation hirsch and oakley raise fundamental questions about how to conduct such operations and in particular about the limitations of peacekeepers in nation building drawing lessons from vietnam and lebanon as well as more recent operations the authors provide an analysis that will help policymakers and scholars as they debate the future of peacekeeping

Somalia and Operation Restore Hope 1995

in a world where conflict is never ending this thoughtful compilation fosters a new appreciation of the art of peacemaking as it is understood and practiced in a variety of contemporary settings peacemaking from practice to theory is about seeing knowing and learning peacemaking as it exists in the real world built on the premise that peacemaking is among the most elemental of human experiences this seminal work emphasizes the importance of practice and lived experiences in understanding the process and learning what works to nurture peace to appropriately reflect the diversity of peacemaking practices challenges and innovations these two volumes bring together many authors and viewpoints the first volume consists of two sections peacemaking in practice and towards an inclusive peacemaking the second of two additional sections new directions in peacemaking and interpreting peacemaking as the title states the work moves peacemaking beyond mere theory showcasing peacemaking efforts produced recorded recognized and understood by a variety of individuals and institutions in doing so it refocuses the study of peacemaking and guides readers to a systematic understanding and appreciation of the practices of peacemakers around the globe

Peacemaking [2 volumes] 2011-11-10

peacemaking and the extractive industries addresses a significant gap in research on the political and diplomatic role of multinational corporations in peace processes in intrastate conflict corporate peacemaking the author focuses on corporations in the oil and mining sectors supporting or participating in peace negotiations and mediation the chapters explore national level peace processes as well as those at community and global levels while the focus is on extractive companies the findings are valuable to companies from all industries looking at peace related processes this ground breaking book gives a comprehensive picture of how corporate peacemaking currently works how it can be developed and implemented and how it is likely to impact global governance and corporate culture in the future the book demonstrates that corporate peacemaking has the potential to be a powerful element in international governance and peace efforts and ralph shows through the business case that companies as well as communities will benefit ralph presents a new framework for corporate peace that will assist companies from all sectors in countries experiencing violent conflict in addition to instability human rights abuses and poor governance based on rigorous academic research with practical case studies it is essential reading for practitioners academics policy makers and ngos

Peacemaking and the Extractive Industries 2017-11-22

Peacemaking and the Challenge of Violence in World Religions 2015-06-22

this book examines the theory and practice of interactive peacemaking centering the role of people in making peace the book presents the theory and practice of peacemaking as found in contemporary processes globally by putting people at the center of the analysis it outlines the possibilities of peacemaking by and for the people whose lives are touched by ongoing conflicts while considering examples from around the world this book specifically focuses on peacemaking in the georgian south ossetian context it tells the stories of individuals on both sides of the conflict and explores why people choose to make peace and how they work within their societies to encourage this this book emphasizes theory built from practice and offers methodological guidance on learning from practice in the conflict resolution field this book will be of much interest to students and practitioners of peacemaking conflict resolution south caucasus politics and international relations the open access version of this book available at taylorfrancis com has been made available under a creative commons attribution non commercial no derivatives 4 0 license

Interactive Peacemaking 2022-01-26

shane had the privilege of meeting his long time hero civil rights leader and minister john perkins little did he know that we would form a friendship and john would become a mentor over a series of years they had numerous conversations as shane wanted to know from john what leading a life faithful to jesus christ actually looks like what followed was a series of vulnerable and heartfelt conversations between john and shane and their reflections on those conversations john s words and advice are distilled into nine axioms for peacemaking and transformation

Who's who in Europe, in Peacemaking and Conflictg Resolution 1993

the high middle ages have been seen as an important point within the development of governmental and administrative bureaucracy as well as a time in which there was frequent conflict this volume addresses the methods by which violence was regulated and mitigated and peaceful relations were re established in high medieval europe by studying the restraint of violence and the imposition of peace the chapters in this volume contribute to interdisciplinary discussions about the effects that violence had on medieval societies the wide ranging geographical scope of this volume invites comparisons to be made in relation to how violence was restrained and peace established in different settings the chapters in the first section of this volume address the issue of how violence was moderated and curbed during and following periods of conflict the second section explores attempts to maintain peace and the processes which developed to deal with those viewed as having broken the peace the final section of this volume explores the ways in which conflict was avoided through the maintenance of positive relationships between individuals and groups this book will be of interest to both academics and students interested in conflict the restraint of violence and peacemaking in medieval societies as well as those working on ritual and conflict resolution in any historical period

Go and Do 2022-01-14

this volume examines mechanisms for regional peacemaking and conflict management in europe and the middle east to date little research has been devoted to uncovering the conditions for peace and the factors that contribute to stabilizing the state of peace this volume assesses the factors that contribute to regional pacification the incentives that motivate states in establishing peaceful relations and most importantly how regions become peaceful it discusses the conditions under which various types of peace might emerge on a regional level and the factors most likely to determine the outcome the book takes an innovative approach through a systematic comparison of two regions that are particularly prominent and important for the subject of regional pacification europe and the middle east while many believe that the european case is the indispensable model for peacemaking others believe that these two regions are too different for europe to be a useful framework for the middle east this volume occupies a middle ground between these two extreme positions it argues that while a mindless copying of european models will not lead to peace in the middle east important insights can be gained from the most successful case of regional peacemaking to date this work will be of much interest to students of regional security peacemaking conflict management middle east politics european security and ir in general

Report of the Joint OAU/IPA Task Force on Peacemaking and Peacekeeping in Africa 1998

written by international practitioners and scholars this pioneering work offers important insights into peace mediation practice today and the role of third parties in the resolution of armed conflicts the authors reveal how peace mediation has developed into a complex arena and how multifaceted assistance has become an indispensable part of it offering unique reflections on the new frameworks set out by the un they look at the challenges and opportunities of third party involvement with its policy focus and real world examples from across the globe this is essential reading for researchers of peace and conflict studies and a go to reference point for advisors involved in peace processes

Peacemaking and Peacekeeping for the New Century 2000-01-01

america s peacemakers the community relations service and civil rights tells the behind the scenes story of a small federal agency that made a big difference in civil rights conflicts over the last half century in this second edition of resolving racial conflict the community relations service and civil rights 1964 1989 grande lum continues bertram levine s excellent scholarship expanding the narrative to consider the history of the community relations service crs of the u s department of justice over the course of the last three decades that the trump administration has sought to eliminate crs gives this book increased urgency and relevance covered in this expanded edition are the post 9 11 efforts of the crs to prevent violence and hate crimes against those perceived as middle eastern also discussed are the cross border elián gonzález custody dispute and the notable tragedies of trayvon martin and michael brown both of which brought police interaction with communities of color back into the spotlight the 2009 matthew shepard and james byrd jr hate crimes prevention act substantially altered crs s jurisdiction which began to focus on gender gender identity religion sexual orientation and disability in addition to race color and national origin lum s documentation of this expanded jurisdiction provides insight into the progression of civil rights the ongoing story of the community relations service is a crucial component of the national narrative on civil rights and conflict resolution this new edition will be highly informative to all readers and useful to professionals and academics in the civil rights dispute resolution domestic and international peacemaking and law enforcement community relations fields

Rethinking Peace Mediation 2021-01-11

many books have been written about the practice of peacemaking and few if any contribute to the non violent spiritual side of this ancient science discipline practice and art form this book speaks to that lack and explores the spiritual non violent element in peacemaking as it applies to appropriate dispute resolution and mediating family law disputes this book is intended for the professional peacemaker mediator lawyer law student conciliator and dispute neutral people wishing to improve their own communication skills and strengthen their primary relationships will profit greatly from this book those in the family law field will find much benefit from the peacemaking processes family counseling psychology eastern philosophy and yoga collected wisdom experience and practice pointers presented in light on peacemaking

Environmental Peacemaking 2002-11-13

this monograph provides a contemporary analysis of the frictions between peacemaking and international human rights law based on the cases of postconflict power sharing in lebanon and bosnia herzegovina in this context it evaluates the long standing debate in the united nations and human rights bodies about the imperfect peace written from a practitioner scholarly viewpoint and drawing from new authentic sources the book describes the mechanisms used in peace agreements and post conflict constitutions for managing ethnic or religious diversity explains their legal limits under international human rights law and provides a conceptual framework for analysing the nexus between law and peacemaking the book argues that the relationship between the content of peace agreements and post conflict constitutions their negotiation process and the element of time needs to be untangled to better understand the legal limits of statebuilding in the aftermath of armed conflict it is a key resource for scholars in human rights law and peace and conflict studies advisers in peace processes constitution makers and peace mediators

America's Peacemakers 2020-11-23

tragic confrontations at schools throughout the past two decades are striking evidence that teens need help and training in peaceful conflict resolution god knows each

conflict a teen goes through with their families friends and teachers and he is in control in this student edition of the peacemaker ken sande and kevin johnson show teens youth leaders parents and pastors how they can apply biblical principles to conflict situations allowing for forgiveness and reconciliation instead of hatred or violence with an approachable style that treats teens with respect this much needed resource can be used individually or as part of a small group or youth group study

Thomas Merton Peacemaker 2015-04-30

in the centenary year of merton s birth longtime peace activist and author john dear reflects on merton s profound contributions to the practice and spirituality of peacemaking beginning in the early 1960s the famous trappist monk broke new ground through his prophetic writings on nuclear weapons war and racism for merton these issues were not only moral challenges they reflected a deeper spiritual crisis afflicting the world here john dear invites us to take up merton s journey and become mature spiritual seekers breaking beyond the norms of religious obligation into a universal compassion so that we too might become peacemakers the beloved children of the god of peace publisher

Light on Peacemaking 2015-10-08

the author draws the reader through the drama and mediocrity of his personal experience the hard work of peacemaking is clearly strengthened through team efforts space is provided for the reader to step into the shallows of peacemaking and then on into the depths this book is intended to be acted into being

Peacemaking, Power-sharing and International Law 2019-09-05

this book views peacemaking as a broad encompassing process that is expressed in many different shapes and forms it blends ancient wisdom traditions peacemaking criminology and restorative justice principles as a way of intervening with offenders in both institutional and community based settings philosophical and spiritual contexts for peacemaking are presented that form a foundation for understanding the potential for peacemaking in criminological thought the criminal justice system and society in general

The Peacemaker 2008-04-01

from all corners of the world both inside cities and in the remote countryside the cry for just peace rings out loud and strong but as many will note in this book the cry for just peace isn t enough for just peace requires active faith working hands and willing hearts gathered in this volume are essays written from a wide variety of perspectives religious traditions nationalities and ages from a sixteen year old high school student to an eighty four year old senior professor that seek to offer insight toward answering one question how are just peacemaking faith formation and discipleship connected within a twenty first century context

IPA Seminar on Peacemaking and Peacekeeping, Addis Ababa 1997

this outstanding collection of essays is the product of a symposium on peacemaking and peacekeeping sponsored by the national committee for the bicentennial of the treaty of paris the original papers included in this volume were written by leading scholars from the united states great britain and canada to assess themes related to the prerequisites and consequences of peace the emphasis is on peaceful outcomes and the preservation of peace rather than the causes of war and the writings reflect a penetrating awareness of the many facets of peacemaking and peacekeeping included are thought provoking discussions on the impact of war and promise of peace on women the american perception of peace as an opportunity for profit and as a private political issue the avoidance of war and the possible obsolescence of war in our own era

Thomas Merton, Peacemaker 2015

jesus wants you to join a great company of peacemakers an army that sheds no blood this book reviews what the bible says about peacemaking and tells the stories of christian peacemakers through the centuries jesus is god s most important clue to peace so we spend a lot of time with him but we also explore how jesus connects with god s purposes at creation with war in the old testament with our responsibility to government and with the realities of life in a nuclear age we discuss practical issues young peacemakers are facing career choices military service the nuclear arms race and war taxes joel kauffman s new cartoon strip pontius puddle featuring a pair of precocious frogs provides pungent perspectives on peacemaking throughout the book

Resurrection Peacemaking: Plowsharing the Tools of War 2020-10-29

our ancestors gathered around a fire in a circle families gather around their kitchen tables in circles and now we are gathering in circles as communities to solve problems the practice draws on the ancient native american tradition of a talking piece peacemaking circles are used in neighborhoods to provide support for those harmed by crime and to decide sentences for those who commit crime in schools to create positive classroom climates and resolve behavior problems in the workplace to deal with conflict and in social services to develop more organic support systems for people struggling to get their lives together a title in the little books of justice and peacebuilding series
