## Dictionary of the British English Spelling System

2015-03-30

this book will tell all you need to know about british english spelling it s a reference work intended for anyone interested in the english language especially those who teach it whatever the age or mother tongue of their students it will be particularly useful to those wishing to produce well designed materials for teaching initial literacy via phonics for teaching english as a foreign or second language and for teacher training english spelling is notoriously complicated and difficult to learn it is correctly described as much less regular and predictable than any other alphabet orthography however there is more regularity in the english words in a system than is generally appreciated this book provides for the shorthand speedwriting account of the whole complex system it does so by describing how it relates to graphemes and vice versa it enables searches for particular words or words in english uk spelling edition
