Digital Libraries and Multimedia Archives 2017-04-05

a sephardi sea tells the story of jews from the southern shore of the mediterranean who between the late 1940s and the mid 1960s migrated from their country of birth for europe israel and beyond it is a story that explores their contrasting memories of and feelings for a sephardi jewish world in north africa and egypt that is lost forever but whose echoes many still hear surely some of these jewish migrants were already familiar with their new countries of residence because of colonial ties or of zionism and often spoke the language why then was the act of leaving so painful and why more than fifty years afterward is its memory still so tangible dario miccoli examines how the memories of a bygone sephardi mediterranean world became preserved in three national contexts israel france and italy where the jews of the middle east and north africa and their descendants migrated and nowadays live a sephardi sea explores how practices of memory and heritage making from the writing of novels and memoirs to the opening of museums and memorials the activities of heritage associations and state led celebrations has filled an identity vacuum in the three countries and helps the jews from north africa and egypt to define their jewishness in europe and israel today but also reinforce their connection to a vanished world now remembered with nostalgia affection and sadness

MhGAP Intervention Guide for Mental, Neurological and Substance-Use Disorders in Non-specialized Health Settings - Version 2. 0 2017-01-27

this book offers a systematic and comprehensive account of translation competence tc reflecting on its different models and conceptualisations throughout its development and outlining future directions for both theory and practice the volume charts the evolution of tc in line with related findings in empirical product and process oriented research in critically examining the different models of translation competence quinci explores a wide range of connected issues of ongoing debate within translation studies including translation quality the revision process and translator self assessment the second section of the book investigates these themes at work in the design conduct and results of an award winning longitudinal research project which analysed the acquisition and development of tc in a sample group of translation trainees and professional translators the volume builds on the outcomes of this project to offer practical activities for translator education informed by theory and empirical research toward encouraging continued reflection and new directions for translation competence research and practice this book will be of interest to scholars in translation studies as well as translation trainees and active translation professionals

AIxIA 2021 – Advances in Artificial Intelligence 2022-07-18

this book collects some of the works presented at atee florence spring conference 2020 2021 the conference originally planned for may 2020 was forcefully postponed due to the dramatic insurgence of the pandemic despite the difficulties in this period the organising committee decided anyway to keep it although online and more than one year later not to disperse the huge work of authors mainly teachers who had to face one of the hardest challenges in the last decades

in a historic period where the promotion of social justice and equal opportunities through digital technologies and beyond is a key factor for democratic citizenship in our societies the organising committee the university of florence and atee wish to warmly thank all the authors for their commitment and understanding which ensured the success of the conference we hope this book could be not only a witness of these pandemic times but a hopeful sign for an equal and inclusive education in all countries

linda palacios crossed the border at age three with her mother juanita to escape their traumatic
 life in mexico and to pursue the american dream years later linda nears college graduation with
 little hope for the future as an undocumented immigrant linda wonders where her life is going tim
 draker a long unemployed businessman has wondered the same thing overcome with despair he decides
 to take his own life before he can carry out his plan he changes course when he finds a job as a
 mechanic embarrassed about working at a garage in the barrio he lies to his wife in hopes of
 finding something better after juanita s coworker gets deported she takes in her friend s son
 hector whom her daughter linda can t stand while juanita deals with nightmares of her traumatic
 past she loses her job and decides to go into business for herself will the three of them allow
 god to guide them through the challenges to come or will they let their own desires and goals get
 in the way of his path
