2018-02-08 from a public health perspective  
motor vehicle crashes are among the most  
serious problems facing teenagers even after  
more than six months of being licensed to  
drive alone teens are two to three times more  
likely to be in a fatal crash than are the  
more experienced drivers crash rates are  
significantly higher for male drivers and  
young people in the united states are at  
greater risk of dying or being injured in an  
automobile than their peers around the world  
in fact in 2003 motor vehicle crashes was the  
leading cause of death for youth ages 16 20 in
