**Virtuous Leadership 2017-03-31**

drawing on the lives of some of the greatest political intellectual and religious leaders of modern times and the author's personal experience virtuous leadership demonstrates that leadership and virtue are not only compatible they are actually synonymous virtuous leadership defines each of the classical human virtues most essential to leadership magnanimity humility prudence courage self control and justice it demonstrates how these virtues promote personal transformation and the attainment of self fulfillment it also considers the christian supernatural virtues of faith hope and charity without which no study of leadership can be complete the book's final section towards victory offers a methodology for the achievement of interior growth tailored to the needs of busy professional people intent on imbuing their lives with a transcendent purpose thus the aim of virtuous leadership is ultimately practical it is meant to be your guidebook in the quest for excellence

***The Virtues of Leadership 2012-07-26***

in a globalized world where multinational companies have extensive power over a huge number of other organizations and millions of people building positive organizational performance requires global leaders with virtues organizations especially multinational ones may be crucial engines of social and economic progress global leaders virtues and character strengths may be strong drivers of such an endeavour one cannot demand of them that they be morally pure or that they assume responsibility for solving the most pressing public problems in the world however this book argues that they may be part of the solution help in making the world a better place and contribute to the realistic desiderata of a values based capitalism drawing on the positive organizational scholarship movement this book aims to provide a holistic approach to the virtues of leaders it explores how virtues and character strengths may be put at the service of positive organizational performance stressing that virtues represent the golden mean between the extremes of excess and deficiency and discussing the perverse consequences of excessive virtuousness the book shares theoretical anecdotal and empirical evidence on the convergence between good virtues to the good

**2018-03-13**

in today's world that's easily enraged by viral hashtags or that demands us to take a seat on one side of the aisle it can be challenging for business, civic and community leaders to know exactly how to respond. fortunately, there are still ways for you to lead beyond these challenging times. in leadership down the middle, nico hohman guides you on why having just the right balance of the five pillars of virtuous leadership produces the best results. by exploring the e a a c t scales, the decision making flowchart, the i p a t e r method, trust givers vs trust builders, graphs, plus he explores over 50 virtuous reflections, action items that can be implemented into your organization and personal life. right now you'll read great stories from united states air force leaders, university deans, nascar drivers, and the author himself on how to use each one of the five pillars: empathy, anger, advice, courage, and transcendence to better lead, guide, and decide for your employees, constituents, congregations, and followers. so join nico on his quest to help you lead right down the middle.

***Evaluating Employee Performance through Christian Virtues*** 2012-02-01

current theories of leadership, spirituality, and ethics are inadequate for the global, changing, and complex environment in which leaders work today. from the book's critical analysis comes a new theory of leadership: co-charismatic leadership. the authors argue for a leadership that enables virtues to be practised in the community and beyond.

**Extreme Virtue** 2001

this book will forever change how you view leadership. as a former coo of a very successful federal credit union, amy chambers started as a teller and experienced many leadership styles during her 21-year career. over the years, amy realized the key to engaging employees and retaining top talent comes down to outstanding leadership. all great leaders are happy, motivated, connected, and fiercely loyal employees who regularly cultivate the three essential virtues: a leadership fable.

## **the ideal team player how to recognize and cultivate the three essential virtues a leadership fable**

exceed results not every leader however knows how to find and develop—  
let alone retain those key employees the 7 v i r t u e s of exceptional  
leaders is a veritable roadmap to becoming an exceptional leader one  
who will engage empower and motivate people to create consistent and  
sustainable results reach successful outcomes as you lead your team  
through mistakes challenges and frustrations transform the work  
environment while delivering outstanding results establish a legacy and  
make incredibly positive impacts on the lives of all those you lead if you  
are currently in a leadership position or aspire to become a leader this  
book is for you through first hand stories of leadership wins and losses
