The Road Not Taken

2016-08-16

a cultural biography of robert frost s beloved poem arguably the most popular piece of american literature two roads diverged in a yellow wood one hundred years after its first publication in august 1915 robert frost s poem the road not taken is so ubiquitous that it s easy to forget that it is in fact a poem yet poetry it is and frost s immortal lines remain unbelievably popular and yet in spite of this devotion almost everyone gets the poem hopelessly wrong david orr s the road not taken dives directly into the controversy illuminating the poem s enduring greatness while revealing its mystifying contradictions widely admired as the poetry columnist for the new york times book review orr is the perfect guide for lay readers and experts alike orr offers a lively look at the poem s cultural influence its artistic complexity and its historical journey from the margins of the first world war all the way to its canonical place today as a true masterpiece of american literature the road not taken seems straightforward a nameless traveler is faced with a choice two paths forward with only one to walk and everyone remembers the traveler taking the one less traveled by and that has made all the difference but for a century readers and critics have fought bitterly over what the poem really says is it a paean to triumphant self assertion where an individual boldly chooses to live outside conformity or a biting commentary on human self deception where a person chooses between identical roads and yet later romanticizes the decision as life altering what orr artfully reveals is that the poem speaks to both of these impulses and all the possibilities that lie between them the poem gives us a portrait of choice without making a decision itself and in this the road not taken is distinctively american for the united states is the country of choice in all its ambiguous splendor published for the poem s centennial along with a new penguin classics deluxe edition of frost s poems edited and introduced by orr himself the road not taken is a treasure for all readers a triumph of artistic exploration and cultural investigation that sings with its own unforgettably poetic voice praise for the road not taken the most satisfying part of orr s fresh appraisal of the road not taken is the reappraisal it can inspire in longtime frost readers whose readings have frozen solid the crossroads between the poet and the man is where frost leaves his poems for us to discover turning what seems like a fork in the road into a site of limitless potential the boston globe

the stories in this collection are set in and around the imaginary town of shaw s pond in southside virginia the fictional players including the narrator are interrelated by bloodlines marriages secret loves scandals and ancient grudges as with people the world over the characters and their stories are nourished by the legends that so often enrich the most ordinary of lives to be sure a lot is going on at shaw s pond henry hurt has been an editor and writer for more than fifty years as editor at large for reader s digest magazine in its hey day he reported on events from espionage and terrorism to disasters both natural and man made but his favorite subjects were the poignant stories of people where the human spirit shined through circumstances that seemed hopeless hurt lives in southside virginia

The Road Not Taken

1955

in the language of fan fiction a mary sue is an idealised and implausibly flawless character a female archetype that can infuriate audiences for its perceived narcissism such is the setting for this brilliant and important debut by sophie collins in a series of verse and prose collages who is mary sue exposes the presumptive politics behind writing and readership the idea that men invent while women reflect that a man writes of the world outside while a woman will turn to the interior part poetry and part reportage at once playful and sincere these fictive factive miniatures deploy original writing and extant quotation in a mode of pure invention in so doing they lift up and lay down a revealing sequence of masks and mirrors that disturb the reflection of authority a work of captivation and correction this is a book that will resonate with anyone concerned with identity shame gender trauma composition and culture everyone in other words who wishes to live openly and think fearlessly in the modern world who is mary sue is a work for our times and a question for our age it is a handbook for all those willing to reimagine prescriptive notions of identity and selfhood

The Road Not Taken

1951

with these dazzling stories discover just how different things might have been alternate history the what if fiction that has finally come into its own shedding light on the past by exploring what could have happened this bold genre tantalizes your imagination and challenges your perceptions with thrilling reinventions of humanity s most climactic events enter worlds that are at once fanciful and familiar where fact and fiction meld in a provocative landscape of infinite possibilities an ink from the new moon by a a attanasio we could do worse by gregory benford the west is red by greg costikyan the forest of time by michael f flynn southpaw by bruce mcallister over there by mike resnick an outpost of the empire by robert silverberg aristotle and the gun by l sprague de camp must and shall by harry turtledove how i lost the second world war and helped turn back the german invasion by gene wolfe
