our course books are series of visual pattern block sentence diagram english using sentence diagram method for beginners who understand english grammar and then visual pattern english sentence memory program for upper standard students for fluency and last visual pattern seven step english book memory program to give the freeway for english learning such as professional listening fast reading logical and persuasive writing each book focuses on different dimensions but most of stepwise standard visual pattern english course is consist of seven steps and take the following steps step 1 you can read the text within paragraph as in the standard book in order to get used to the sentence read aloud three times or read along three times if you do not understand your own language please consult with teacher in step 2 you can read text in each sentence it seems to look simpler and easier be careful verb which is the balancer of the sentence there are only two kinds of verbs one is action verb the other is linking verb intransitive verb is belongs to action verb that does not the target of the verb step 2 you can read the text within highlighted verb sentence as soon as you read the sentence you can much more easily what the writer expect the reader to do furthermore you can catch the verb has target or complements in this step you can understand 90 of book contents if you keep up with verbs try to understand the sentence by focusing on verb not to memorize from the beginning but please rule 3 3 times read aloud read along in each step or drill step 3 in this section you can

read with bsd signal whether it is blocked or not if any verb have not target it should be either liking verb or action verb without target and called as intransitive verb we have read step 2 and known one of two kinds of verb then you can brief understand block sentence diagram patters target of the verb and compliment of the verb can place on the same level of subject and verb all other functions should be placed under the horizontal line of block sentence diagram step 4 in this section we are arrange block sentence building by using brick words noun verb adjective adverb and mortar words conjunction preposition in bsd diagram only brick words can stand on horizontal line in line with verb unlike sentence diagramming method with some practice you can automatically improve your grammar level bsd signal is option for beginner it is easy to understand step 5 this is the most important backbone of english memory program up until now you have learned and practiced mainly reading and speaking practice we call this type of learning is exercise or walking english which means more practice get better output even though you do not understand completely if you are trying to do block diagramming you need thinking process with some grammar knowledge you can diagram a logical grammatical diagram do not try to jump to memorize sentence without being familiar with sentence backbone sentence structure diagram verb is the most common and changes forms to give the facts or opinions and its changing form can play all round player in sentences functioning noun adjective adverb and conjunction position of verb plays important tones of language the verb always is located in the middle of sentences and plays balancer of sentence if the positions of verb change that means the tone of languages also changed step 6 before you listen the audio please try to put your words in the bsd do not worry about mistake if you know the story my recollecting verbs you can easily match subject of the verb and targets or additional parts any types of modifier under the base line are not key factor in the sentence however many writers put the prepositional noun modifiers below the base line in order to give some more information or stress we are building block sentence diagram building to memorize step 7 in these diagrams verb conjunction and prepositional modifier hints have been diagrammed diagram level belongs to upper intermediate level or lower advance level ssemp bsd focus on memory therefore some loose diagramming compared to conventional sentence diagram block sentence diagram can apply many design factors to make it look beautiful too sometimes perfect noun plays adverb even though it belongs to key words most of nouns which are not in right position noun subject target compliment role as adverb

1895

to the student of bible prophecy i have studied bible prophecy since 1984 i have read a lot of books on prophecy and found that most of them assume you know certain basics about prophecy so they discuss end time events and usually don t tell you the background and other information you need to know to understand what they are telling you they give you the meat of prophecy without the milk you need to digest the big stuff this study course gives you the background and the facts you need to understand prophecy in other words it takes you from the milk to the meat of the word purpose the intent is to teach the interested about the return of the lord jesus christ to this earth to claim the victory he won on the cross for you and me the study does not intend to be denominational rather it s intent is to enlighten and to bring all of the body of christ his church together as one scope the scope of the study is from the beginning to the end from genesis to revelation the student is taken through the study from scratch the study concentrates strongly on prophecy that has already been fulfilled showing the steps leading up to today and what the bible says will soon occur the outline shows there are 30 lessons arranged into 11 lesson sets each lesson

set has a pre test a test answers extra information sheets other aides to help understanding along with a subject reference in the back it is my fervent hope that the holy spirit will impress upon you the need to be aware of the lord s imminent return luke 21 36 and god s blessings for studying prophecy revelation 1 3
