wildlife photography is an adventure and as any great
adventure story unfolds odds are there are bound to be some
great risks involved whether it s the risk or the reward or
both that motivates wildlife shooters there is one pervasive
truth preparation is key to success and survival in this book
joe classen approaches the art of wildlife photography from a
hunter s perspective he teaches readers how to select and use
the appropriate specialized photographic gear required for
the rigors of wildlife photography as you d expect however he
also teaches you how to mentally and physically prepare for
an outing in which your wits must be as keen as your eye
classen provides detailed insights into planning and packing
for a wilderness adventure readers will learn how to securely
pack their delicate photographic gear for a rugged outdoor
environment but will also learn how to choose and tote the
best clothing for the site accessories to ensure your
personal safety and even basic cooking and drinking
requirements for days spent shooting in remote areas once you
ve scouted your location you ll learn how to track and lure
your photographic subject using time honored practices calls
from lust to hunger to anger and sloth decoys attractor
scents working invisibly etc while shooting your camera from
a blind or stand or conversely by using a more aggressive
stalk and ambush approach you ll learn how to read animal
behaviors from eating to mating and predict how when and
where your best photographic opportunities will arise and
when your safety should be a greater concern than your shot
with this soup to nuts approach readers will find in this
book a compendium of information about wild animal behavior
wilderness survival and safety the art and science of
photographic capture and even storing and processing your
prized digital files once you return home from your adventure
armed with classen s suggestions and strategies you ll
maximize your photo opportunities and increase the odds that
your wildlife images are the mount and frame trophies of field
which you risked life and limb
