My Life Among the Serial Killers

2009-10-13

over the course of twenty five years dr helen morrison has profiled more than eighty serial killers around the world what she learned about them will shatter every assumption you ve ever had about the most notorious criminals known to man judging by appearances dr helen morrison has an ordinary life in the suburbs of a major city she has a physician husband two children and a thriving psychiatric clinic but her life is much more than that she is one of the country s leading experts on serial killers and has spent as many as four hundred hours alone in a room with depraved murderers digging deep into killers psyches in ways no profiler before ever has in my life among the serial killers dr
